Wheat Harvest Going "Full Blast"

Pipers Team Tie Trent For Diamond Lead

Hamlin High School's undefeated Pied Piper baseball team is riding high this week, tied with Trent for top place in the district schoolboy race. Both teams have won three games and lost none, for a 1.000 average.

Barring a defeat suffered by either team this Friday, the game here next Tuesday afternoon at 2:30 o'clock may well determine the league championship or, at least, give fans an indication of the strongest team of the loop.

Last Friday the Pipers defeated Rotan 6 to 2 and the previous Friday wall-pied Merkel 11 to 5.

Today the Pipers journey to Colorado City to cross bats with the high school club of that city, an aggregation which is tied for second place at .500 with Merkel, having won two and lost two.

In the lower bracket Rotan has won one and lost two and Tuscola is buried in the cellar with three losses.

Last Friday Roland hurled a nice game, giving up five hits to Rotan and striking out 14 batters who faced him. Neither team committed an error, all runs being earned. Hamlin pitched up 12 hits.

Batting averages for the Pipers as compiled by Coach L. B. Howard follow:

Player	AB	H	Pct.
C. Townsend	8	4	.500
Roland	30	13	.433
George	21	1	.429
Black	33	14	.424
Franks	21	7	.333
Hill	25	8	.320
Deah	27	7	.260
Latham	4	1	.250
Putnam	21	5	.239
May	9	1	.111
W. Townsend	17	1	.060

Vacation Bible School Plans Are Complete

"Don't forget to be on hand Saturday morning at 9:30 a. m. at the First Baptist Church to register for the annual vacation Bible school," Rev. John Osteen, pastor, reminds all the Hamlin children, from nursery through intermediate ages. Games will be enjoyed, two motion pictures shown and refreshments served to everyone present.

"You may register at Sunday School the following day, or Monday morning at the opening session if you cannot be present Saturday," Rev. Osteen stated.

All workers are asked to be present Saturday for final preparations. Classes will begin at 8:30 a. m. Monday morning, and will continue through Friday. Commencement exercises will be held Sunday evening at 8:00 p. m. All who attend the required number of classes will be awarded diplomas. Every department will have some special part on the program. Work of the children will be on exhibit.

\$5000 in Prizes To Be Awarded at Cowboy Reunion

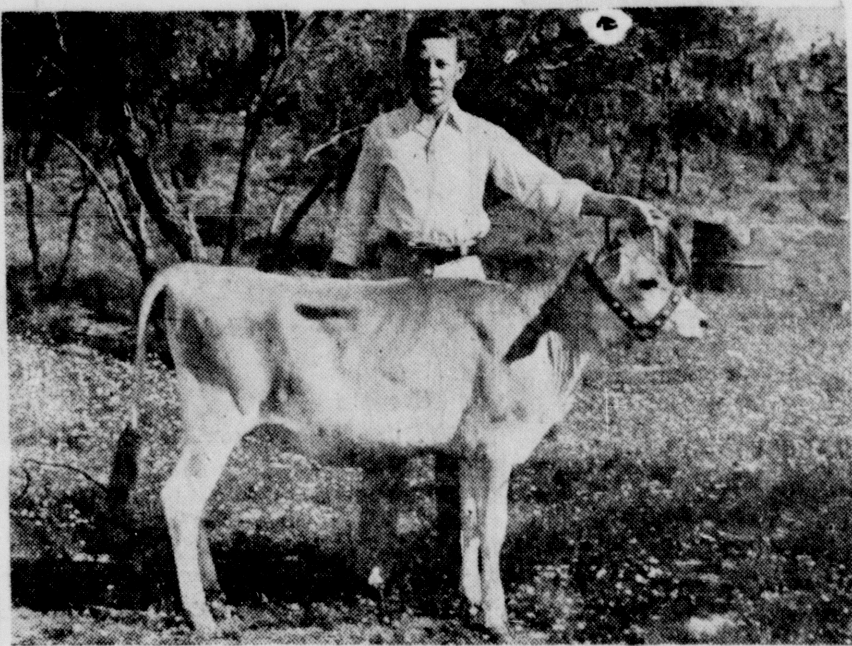

Cowboys and cowgirls attending the seventeenth annual Texas Cowboy Reunion at Stamford on July 2, 3, and 4 will be gunning for slightly more than \$5,000 in prizes. The figure represents a 10 percent increase over the 1946 prize list. Five special made saddles will be awarded, along with other attractive prizes.

The American Quarter Horse show in connection with the Texas Association will hold an official Cowboy Reunion rodeo. It will be the seventh consecutive showing here. Twelve hundred invitations, entry blanks, rules and prize lists were mailed to breeders in Texas, Oklahoma, New Mexico and Colorado who are registered with the American Horse Association. In anticipation of a record number of entries a new stall barn is being built which will enable the committee to accept approximately thirty more animals than in 1946 when it was necessary to turn down entries due to lack of stall space.

A gala pre-war style parade is being planned for the opening day (July 2nd). Heading the parade will be Hon. Beauford Jester, Governor of the State of Texas, along with other state officials. The cowboy band from Hardin-Simmons University will be the official band and will not only lead the parade, but will play at each performance of the entire show. A number of high school bands in the area are expected to be present on opening day to compete for the cash prizes. The usual commercial floats, ranch chuck wagons, mounted cowboys and cowgirls, along with many of the quarter horses, will complete the parade picture.

Mrs. B. Hassen is spending a few days this week in Cisco with relatives.

Top Ranking Jersey Club Member and His Award

Pictured above is Clifton Townsend, top ranking member of the Hamlin Junior Jersey Club and the outstanding Jersey heifer which he has been awarded by the Hamlin Chamber of Commerce. Townsend is the first local boy to receive one of the registered heifers to be awarded each year to the outstanding Junior Jersey breeder.

Chamber of Commerce Awards Fine Jersey to Outstanding Youth

Hamlin Chamber of Commerce recently awarded an outstanding registered Jersey heifer to Clifton Townsend, who is a top ranking member of the Hamlin Junior Jersey Club composed of Hamlin Vocational Agriculture boys. This is just one of the main efforts put forth by the Hamlin Chamber of Commerce to stimulate the breeding and developing of better dairy cattle and other lines of good livestock and poultry in this section of country. Each year one top ranking dairy boy of the Hamlin Vocational Agriculture department will receive a good registered Jersey heifer through this continuous improvement program.

This heifer is tops in breeding for production, being sired by Sparkling Noble Sultan, a son of Ivy Sparkling Standard, one of the great herd sires on the Heep Jersey Farm at Austin. Grand dam is Tiddewinks Pansy Rose, a very high production cow with an official classification of excellent. Dam of the heifer is Xenia Empire Mad You'll Do, a high producing cow with an official record of 546.16 pounds of butter fat in one year.

Evans Reece, president of the Texas Jersey Cattle Club bred heifer on the Reece Jersey Farm at Waco. At the Jersey Show held in Waco early in May of 1947 this heifer won first place blue ribbon in her class. Townsend is very proud of his heifer and hopes to develop her into not only a good show animal but also a high producing milk cow. She will be bred to Draconis Ivy Sultan, the outstanding young Heep-bred bull owned by Clifton and the other members of the Hamlin Junior Jersey Club.

The Hamlin "Jaycees", the senior Chamber of Commerce, The Lions Club, and the Hamlin Rotary Club are all giving splendid financial and moral support to their club boys' agricultural programs. This is one of the finest ways in the world for a community to make better men out of its boys and also produce better livestock.

Here from Tennessee

Mr. and Mrs. Charlie Clark and Mrs. Annie Rains of Dunlap, Tenn., were here Tuesday and Wednesday visiting relatives and seeing the country. They came to see a first cousin, Ross Turner, who had just recently moved to Oklahoma, but did get to visit two other cousins, Mrs. Vernon Stewart and Mrs. Roy Maynard.

It was their very first visit to Texas and Mr. Clark was very favorably impressed with this section of the state, saying he would like to live here. He has been with the conservation department in Tennessee for twenty years. They spent Wednesday night with Mr. and Mrs. Fred Hall at Swenson.

Mrs. J. H. Burkett spent the week end in Dallas with relatives and at Anna.

Sentences Pronounced In 104th District Court

Dr. Will C. House Returned Here at Annual Meeting

Dr. Will C. House, pastor of the First Methodist Church of Hamlin since last November, was again assigned as pastor of the local church, it was announced when the bishop's appointments were read at Amarillo last Sunday afternoon.

Return of Dr. House to Hamlin is gratifying not only to members of his faith but other townspeople are equally as glad he has been returned. He has been active in the upbuilding of the church since becoming pastor in the fall. Due to the fact it had been only six months since the last conference and the annual meetings will be held in early summer, most churches retained pastors assigned at that time.

Hortense Phenix Is McMurry Graduate

Miss Hortense Phenix, daughter of Mr. and Mrs. Carl Phenix, was among the fifty-seven McMurry College graduates to receive degrees and certificates at the school annual Commencement Exercises Tuesday, May 27.

Ray H. Nichols, editor of the Vernon Record, delivered the commencement address.

Creamery Manager To Move Family Here

Mr. and Mrs. C. V. Shelton and children, Sheila and David, are moving to Hamlin where Mr. Shelton will be manager of the new Banner Creamery, now under construction. The Sheltons will occupy the apartment over the city hall, when it is finished, but are at present living in rooms.

They are members of the Methodist Church. Sheila is 12 years old and David is nine.

Father of Mayor Dies Suddenly at Lake Phantom

Hubert Toler, 63, Abilene business man, and father of Mayor Holly Toler of Hamlin, died early Tuesday of a heart attack while at his Fort Phantom Lake home. He and two guests were spending the night at the lake. Mrs. Toler having returned to Abilene earlier in the evening.

Mr. Toler had gone down to the lake to check some lines when he was stricken and seen to fall. He was dead when they reached him. Funeral services were held at Abilene Tuesday morning with interment following in Cedar Hill Cemetery.

Besides the widow and the son here he is survived by a daughter, two other sons, and five grandchildren.

Stamford Man Heads 5th Legion Division

James R. Gleaton, well known Stamford man, and retiring commander of the 17th District of the American Legion, was elected commander of the Fifth Division at the annual convention held at Sweetwater Sunday.

Retiring Commander George Berry of Lubbock was endorsed for state department commander.

Mr. and Mrs. Bert Reynolds and children of Clovis, New Mexico, returned home Saturday after a visit with his mother, Mrs. W. S. Reynolds, his sister, Mrs. M. S. Johnson, and brothers, Leigh and Mack Reynolds.

No. 1 Listed at \$2.05 In Hamlin On Thursday

Fast-moving combines and loaded grain trucks rushing wheat to local markets have filled local streets to overflowing the past week as jubilant wheat farmers of this area work day and night to harvest the biggest wheat crop grown here in several years. A few acres were combined early last week, and the first wheat arrived here Monday afternoon minutes after the nation's first 1947 wheat was sold in neighboring Haskell. Early last Thursday wheat started moving in earnest, and the work has proceeded at top speed ever since.

Hamlin grain dealers had a price of \$2.05 for No. 1 wheat posted on Thursday morning. The price was \$2.10 early Monday, later dropped to \$2.00 and government support has since pushed the price back some, where it has remained fairly steady.

HAMLIN WHEAT FIRST ON MAJOR MARKET

Haskell County wheat was harvested a very brief time ahead of Hamlin, but wheat from here was the first to be sold from the new crop on a major Texas market. The carload brought \$2.60 per bushel f. o. b. Hamlin. This figured \$2.85 basis delivered Texas common points or on Galveston domestic rate.

Wheat being harvested is said to be in top condition and is grading well. Approximately 140 cars have been loaded here in just a week's time. It is believed 200 to 250 cars will be handled here. Joe Culbertson, one of the largest local growers, stated Wednesday that if area acreage was as large as reported, 300 cars or better would be handled here.

Wheat throughout the area will average 12 to 15 bushels per acre, a very good yield, it is said. Some growers are reporting all the way from 14 to 25 bushels, and some smaller fields have ranged as high as 30 bushels.

Barring bad weather, the harvest will be practically over by next week-end, it is said. The crop will put thousands and thousands of dollars in the pockets of area growers.

Crop observers stated this week that although the hot, dry weather was fine for the wheat growers, cotton and small grain feed crops would suffer if hot winds continued.

Last Rites for Mrs. Judge Crow

Funeral and burial services were conducted at Neinda Baptist Church Wednesday afternoon at 3:00 p. m. for Mrs. Judge L. Crow, long-time resident of Jones County. She passed away at her home Monday night following a long illness.

Rev. C. E. Dick of McCaulley was born in Johnson County on September 21, 1885. Mr. and Mrs. Crow were married in Hamlin in 1904 and since have made their home on the farm he settled in 1900.

Survivors include her husband, five sons, J. R. of Hamlin, J. M. of Ble Spring, E. C. of Leuders, S. W. of Stamford, and C. A. of Anson; two daughters, Mrs. Seth Lawrence Jr. of Anson and Mrs. J. D. Stuckey of Sandusky, Ohio; one brother, four sisters, including Mrs. Barney Thames and Mrs. Delma Crow of Hamlin.

Services Resumed at Plasterco Church

Services will again be held at the Plasterco Baptist Church next Sunday, according to an announcement made early this week. Rev. C. W. Johnson, former pastor, will conduct the preaching hour. The public is extended a cordial invitation to be present.

Mr. and Mrs. Claud Lancaster were in Lubbock Tuesday. They were accompanied home by their daughter, a student at Texas Tech. George Malouf and Herman Treadwell were in Dallas and Fort Worth this week visiting markets.

Value of Jones Land Declines

COLLEGE STATION — Two Texas counties, Ellis and Nacogdoches, showed an increase in average cost per farm acre in 1946 while a third county, Jones, showed a minor decrease, Texas A. & M. college report revealed today.

The report, based on farm land market activity in three sample Texas counties, showed that transfer of property moved at a brisk pace with 790 sales, 168 more than in 1945.

Other figures showed owner-operators bought a higher percentage of farms in 1946 than the preceding year and the proportion of cash sales decreased with mortgage credit doubling down payments dropped from 47 percent of the purchase price in 1945 to 38 percent in 1946, the report showed.

In Ellis county the average increase in the price of land was \$5.80 per acre over the preceding years average, while Nacogdoches county showed an increase of \$4.64 per acre. A decline of \$2.10 per acre was reported in Jones county.

The average size of tracts sold in all three counties increase in 1946. The Ellis average 125 acres, Jones, 170 acres and Nacogdoches, 86 acres. General terrain in Jones county consist of rolling plains, black prairie in Ellis and northeastern sandy lands in Nacogdoches.

To Federal Reserve Bank James Tate May was visiting his parents, Mr. and Mrs. Tate May from Thursday to Sunday. A student at Baylor, he will be employed at the Federal Reserve Bank in Dallas this summer.

Mrs. E. A. Woods, Mrs. M. P. May and Dr. and Mrs. C. C. Rister spent Tuesday at Snyder with Dr. Rister's sister and family.

Mrs. J. H. Foster is visiting in New Mexico this week.

PROVED BY 66 BILLION MILES OF SATISFACTORY SERVICE

Veterans Warned Overpay Will Be Recovered by US

Some 3,000 West Texas veterans, many in this locality, have jeopardized their training and education eligibility and violated federal penal laws by having accepted subsistence payments from the Veterans Administration to which they are not entitled under the law, C. E. Pickens, VA regional finance officer said this week in a release to The Herald.

Over-payments to veterans in the West Texas VA region amount to \$336,000, all of which is subject to recovery by the government and cannot be "marked off" by charging it to veterans' eligibility. Veterans who have been overpaid have been notified to that effect by the VA regional finance office and informed that reimbursement of the excess payment must be made. Pickens explained that over-payments are caused by veterans' failure to comply with public law 679, which became effective August 8, 1946.

ure to comply with public law 679, which became effective August 8, 1946.

The law fixed a point in income at which the veteran-trainee can be capable of his own support. At this point, the government withdraws its measure of support.

This level has been fixed at \$175 a month for single veterans and \$200 for those with dependents. When job and subsistence together reach these marks, veterans receive no additional aid in the form of federal funds. But there is no limit on such additional wages as employers might wish to pay veterans as they progress in training.

The full amount of \$65 or \$90, as the case may be, in VA subsistence payments is allowed only when this amount plus regular wages does not exceed \$175 for single veterans or \$200 for veterans with dependents.

Beginning in August, in compliance with this law, veterans in receipt of subsistence payments were provided with report of earnings forms on which they were to report their earnings from regular wages or or salary.

Included on the form was the

Uncle Sam Says

Exactly how much have you saved in the last 12 months?

If you can't write a good big figure in the space above then you'd be smart to adopt a method of savings that millions of Americans have found to be absolutely sure fire. This method is the regular buying of United States Savings Bonds. People buy Savings Bonds now on two convenient plans. If you are on a payroll, through the Payroll Savings Plan. If you are a professional man or woman or self-employed, through the Bond-a-Month Plan at your bank. By signing up on either plan, twelve months from now you will be able to write a nice healthy sum in that space up above.

U. S. Treasury Department

WACS STILL SERVE

From the peak strength of 60,000 on V-J Day, the Women's Army Corps has demobilized until at present there are 9,650 Wacs on duty. These Wacs have volunteered for extended duty until June, 1947, or for the duration and six. Many are triple volunteers for there are still scores who volunteered as members of the Women's Army Auxiliary Corps, re-volunteered for the Women's Army Corps when it became an integral component, The Women's Army Corps, and became triple volunteers on signing the "extended duty" category.

Of the present strength, 2,572 are Wacs who have re-entered the Corps after having been honorably discharged. There are Wacs on duty with the Armies of Occupation in Germany and Japan. Approximately 2,500 are assigned to seventeen installations in the European Theatre. Over 500 are with the forces in Japan.

The War Department has announced that legislation providing for the inclusion of women in the Regular Army and the Organized Reserve Corps soon will be presented to Congress. In asking for approval of the plan, it has been pointed out that women have proved that their skills and training are potentials in helping to solve the pressing personnel problems of this time, and that the loss of time and money that characterizes any project that must "start from scratch" would be saved if a nucleus of women were on hand to provide for speedy and economical expansion in the event of any national catastrophe.

Coke's Trip to Capital May Be Politics, Too

Democrats of Hamlin area contacted thus far join other Texans in seeing political implications in the visit to Washington of Coke Stevenson, former governor of Texas.

Stevenson, who has spoken here on several occasions, and C. E. Weymouth of Amarillo, president of the Texas Cattle Raisers Association, will this week attend a meeting of foot-and-mouth disease advisory committee at Washington conducted by the U. S. Department of Agriculture.

Stevenson, local Democrats says, is considered a probable candidate for the U. S. Senate against W. Lee O'Daniel.

following: "Important Notice—If the wages, salary or other compensation you receive from employment plus your subsistence allowance exceeds \$175 a month if you have no dependents or \$200 a month if you have a dependent or dependents, that part of your subsistence payment necessary to bring the amount to \$175 or \$200, which applies in your case, is the only amount due you under the law. Any amount accepted by you in excess of this amount is subject to recovery by the government."

VA could not adjust its subsistence payments until wage reports were received at the end of a three-month period. In the meantime veteran-trainees continued to receive subsistence for the full amount.

The law says the amount to which the veteran was not entitled must be repaid or deducted from subsistence payments due. It cannot be liquidated by charging it to his eligibility, Pickens emphasized.

R. A. Dean, who is a student at Texas Tech in Lubbock, was here this week visiting his mother, Mrs. R. S. Dean. He will attend the summer term of college.

Soil Conservation Districts to Suffer Greatly If Appropriations Are Cut

The Soil Conservation Service, with a district office at Stamford, and every other SCS unit in the state will be affected by the cut in funds decreed by the House Appropriations Committee at Washington, week reveals. J. C. Dykes, assistant chief of the Soil Conservation Service, Washington, reports regional SCS headquarters at Fort Worth and the Temple office will have to curtail operations.

In fact, the present bill is such a blow to the entire farm program that Congressman George Mahon of the 19th District, committee member, predicts that it will return the country to the Democrats.

Mahon informs The Herald a stacked committee, ordered by the Republican party leadership, has brought out a bill which will cause the government to renege on its promised \$300,000,000 in Triple A payment for 1947.

Appropriations, for instance, for the payments to the farmers who are engaging in terracing, cover crops and other soil conservation practices in lieu of planting crops were reduced to about \$150,000,000. Mahon declares these appropriations were drastically cut down despite promises last year by Congress and in January by President Truman.

"It would not be so bad if these farmers had not planned their 1947 crop year on these government commitments," said Mahon. "After July 1, there will be considerably less money to meet payment. I fear they will lose confidence in any future government farm program."

Dykes said Congress had not only given SCS less money but at the same time had ordered work started in new districts to be maintained at the same speed as in old districts. This will cut the work down in each district, he says.

Mahon said Democrats had already caucused on the bill and that every member of the Texas delega-

tion was working hard to try to convert as many Republicans as possible from farm states to vote with Democrats during the hard fight that began this week on the floor.

"The fight will be so bitter that we won't know results until the last vote is counted," said Mahon.

The bill, which he described as providing a new limousine for Secretary of Agriculture Clinton Anderson of New Mexico but only a lemon for the American farmer, vitally affects Texas' future cotton crops, he said. It rescinds previous legislation giving 30 per cent of all duties on imports to disposition abroad of surplus farm products.

"This money was spent largely to dispose of surplus cotton and to help the American cotton farmer in meeting the world market when exporting," Mahon declares.

"We may not feel it so much this year, but when there is a bumper crop, without these funds to aid in exporting cotton, this crop will be a glut on the domestic market."

The Bankhead-Jones farm tenant purchase act is out altogether, if this bill passes, Mahon said. Reason given by Republicans is that farm land values are too high. "Even so," said the Texan, "some tenant farmers were being helped by 40-year loans to purchase their farms."

"The bill cuts the Farm Research and Marketing program from \$19,000,000 to \$5,000,000 on the grounds that is too much money for a new enterprise," Mahon said.

"We had launched an ambitious program there last year, but we need research for marketing, and it will be impossible now to get the program planned underway."

"This affects almost every phase of farm endeavor. Loans to veterans and others through Farm Security Administration are drastically curtailed, too."

Contrary to popular belief lettuce contains no opium.

SCHOOL ABOARD THE 'WISKY'

A class of Naval Reservists aboard the USS Wisconsin on a training cruise to Cristobal, Canal Zone, listen to an instructor explain the drawing of certain electrical connections. The USS Wisconsin is making several such Reserve cruises to refresh Reservists' previous training and to acquaint them with the latest developments in naval equipment and technique. Reservists in the photo were among several hundred from the Third, Fourth, Fifth, and Sixth Naval Districts and the Potomac River Naval Command taking two weeks of active duty training afloat. Other combat ships making similar cruises are the USS Oregon City, the USS Rochester and the USS Little Rock. (Official Navy Photograph)

Early Control of Grasshoppers Is Urged by Agent

Farmers of Hamlin and area Counties are being urged by Texas A. & M. College Extension Service to start control measures against millions of grasshoppers that are now hatching.

Jones and Fisher County farmers are advised that poison bait put out now to kill the young hoppers can prevent a lot of damage to the state's row crops. Grasshopper infestations were large last season, and the hatch this spring points to

another big year for the insects. H. C. Stanley Jr., Jones County agent, asks that all county farmers make an early start on grasshopper control. The insects are young now and easy to kill—they are bunched together right after the spring hatch and very little bait will kill them at this time—before they can do damage to row crops.

Those interested in poisoning hoppers at this time are urged to contact Stanley at the agent's office.

Prof. and Mrs. W. A. Stephenson and daughter of Abilene spent Thursday night here with his mother, Mrs. Etta Stephenson.

Larry McCoy of Texas Tech is home this week.

HD Club Leaders Attend Training School at Anson

Nineteen leaders representing 10 of the 12 clubs in the county 10 attended a landscape training school in Anson the afternoon of May 22. As there are many Arizona cypress trees in the county showing signs of red spider, the agent gave a demonstration to the leaders on how to recognize the signs and how to control them.

Many plants are showing signs of clorosis (yellowing of leaves,) so the agent gave a demonstration on how to treat such plants.

Several roses with burned looking petals and buds that were not opening were given to the group and asked to see if they could find anything to cause this. The agent asked them to look for the tiny little insects called thrips and control measures were given.

The agent also gave a demonstration on mulching the shrub beds to retain the moisture.

The following women attended the meeting: Mrs. Maxey Harvey, Mrs. Borden Manly from Willow Creek Club; Mrs. Woodson Huffaker, Mrs. W. C. Beaty, Mrs. R. E. Ray, Mrs. V. J. Moore, Hodges Club; Mrs. C. R. Taylor, Mrs. Warren Hilliard, New Hope Club; Mrs. C. W. Jones, Mrs. J. R. Cook, Carpenters Gap Club; Mrs. Clyde Chancey, Mrs. Dan Jones.

Miss Bess Jones, who has been attending Bethany-Peniel College, has come home to spend the summer with her parents, Mr. and Mrs. Dan Jones.

W. J. Spurgin, Compere Club; Mrs. K. A. Goza, Union Club; Mrs. George Q. Brooks, Mrs. Arnold, Mrs. Hannah-Lakota Club; Mrs. C. P. Hodges, Mrs. Frank Carter, Goodman Club; Mrs. J. W. Osment, Mrs. G. C. Long, Tuxedo Club.

Baptist WMS Officers Were Elected Monday

Officers for the next year were elected by the Women's Missionary Society Monday afternoon at the First Baptist Church.

Mrs. Joe Simpson, president, was in the chair. Mrs. A. Spencer gave a brief missionary talk. Mrs. W. L. Boyd, Sr. read a very interesting letter from Miss Mildred Crabtree, a missionary.

The inspiring devotion was presented by Mrs. Tom Routh. Miss Dorothy Routh sang a solo, "A Closer Walk With God", accompanied by Mrs. Lesley Shelburne.

The following officers were elected: Mrs. Joe Simpson, president; Mrs. Clyde Angel, vice-president; Mrs. Ovid Lawlis, recording secretary; Mrs. W. L. Boyd, Sr. corresponding secretary; Mrs. Lott Shell, chorister; and Mrs. John H. Osteen, pianist.

Next Monday the women meet in circles.

Miss Bess Jones, who has been attending Bethany-Peniel College, has come home to spend the summer with her parents, Mr. and Mrs. Dan Jones.

Freight Cars Go Modern

Demonstrating the ease with which a 'Roller Freight' car can be moved, two St. Louis girls, Janet Feuerborn, in striped sweater, and Maxine Hanebrink, pull the car from a dead standstill.

Pioneers in developing anti-friction bearings on railroad rolling stock, the Timken Roller Bearing Company turned their efforts toward making fast and dependable freight service a reality. 'Roller Freight', a lightweight, bearing equipped car, is the answer. The first streamlined train and the first Diesel-powered streamliner were equipped with roller bearings and the success was so marked that today the bearings are standard on new orders.

Shippers will welcome the new cars for the smoother action means less damage in transit and fast on-time schedules. Railroad operating men cheer the reduced maintenance, added availability of equipment and an increase in equipment life.

Calvary Baptist Women Meet For Bible Lessons

Members of the Ladies Auxiliary of the Calvary Baptist Church met in regular service last Tuesday afternoon. Nine members and one visitor, Mrs. Wilson Essary of Lubbock, were present.

Mrs. J. W. Griffin, president, was in the chair during the business session. A letter was read from Mrs. J. W. Cundueff of west Columbia, acknowledging a love offering sent her for her birthday.

Each member brought pillow cases for the Texas Baptist Orphanage.

Mrs. J. A. Tate brought the

devotional from Proverb 2 and Mrs. W. E. Nunn taught the lesson on Bible Geography.

Mrs. W. L. Hunter, Jr. has accepted a position with Celotex Corporation.

Margueritte Nobles Is Married To Edward Milton Raley

On Saturday morning, May 31st, 8 o'clock, Margueritte Nobles, daughter of Mrs. Eakin Nobles, became the bride of Milton Raley, son of Mr. and Mrs. R. L. Raley.

The double ring ceremony was officiated by Rev. J. Henry Littleton in church parlor of the First Baptist Church in Abilene. White carnations were used in decorating the parlor.

Mrs. C. R. Owens was matron of honor. Her dress was of aqua, sparkling with white accessories and her corsage was of white gardenias. H. D. Burton attended the groom as best man.

The bride wore an original Roxana frock tail suit of white tropical material with brown and white Bible topped with a white orchid.

Mrs. Raley is a graduate of accessories. She carried a white Hamlin High School. She received B. A. degree from Texas Technological College at Lubbock, where she was a member of the Las Chaparritas social club. She also attended the University of Texas and for the past three years has taught in Hamlin High School. She is a member of the Hamlin Chapter of Beta Sigma Phi.

Mr. Raley is a graduate of Hamlin High School and attended Hardin Simmons at Abilene and North Texas State Teachers College at Denton. He served as a Lieutenant in the Army Air Forces during the war. He is now employed by Standard Oil and Gas Co. and at present, the couple will make their home in Bay City.

The wedding guests included: Mrs. Eakin Nobles, Mrs. Henry Littleton, Mr. and Mrs. Albert Chandler, C. R. Owens and Mrs. H. D. Burton.

Anice Griffin Wed to California Girl

Announcement has been made of the marriage of Georgia Rose Blake and Anice Griffin, in a ceremony read April 20 by Rev. Floyd House in the gardens of her home at 381 Oxford Avenue, Palo Alto, California.

The bride wore a light blue afternoon frock with a corsage of butterfly orchids and roses.

Adelle Stordia was bride maid and Andra Hale Jackson acted as flower girl.

D. E. Griffin Jr. attended his brother as best man. Ushers were Donald Harton and Edward Lehman.

The wedding music was played by Mrs. Wayne Thomas.

Following a wedding trip to Monterey Peninsula, they are now at home at 791 Matadero Road, Palo Alto.

Mrs. Griffin is the daughter of Mr. and Mrs. J. E. Blake. She is a graduate of Palo Alto High School and attended San Jose State College.

Mr. Griffin is the son of Mrs. D. E. Griffin and the late Mr. Griffin of Hamlin. He attended the local schools and served in the Navy.

Koleta Clements Honored With Gift Tea Wednesday Afternoon

Miss Koleta Clements, bride-elect of Glenis Galen Costin of Abilene, was honored with a gift tea Wednesday afternoon from 4:00 to 6:00 o'clock in the home of Mrs. Joe L. Culbertson.

Mrs. Mart Farrow welcomed the guests introducing them to Mrs. Culbertson, who presented them to the honoree. Others in the receiving line were Mrs. Ira Clements, mother of the bride-elect; Mrs. A. G. Costin, mother of the groom-to-be; Mrs. Delma Shelburne, sister of the honoree; Miss Minnie Monroe, Mrs.

H. D. Prescott, Mrs. Bill Thorn and Mrs. Frank Bounds.

Mrs. Dick Maberry directed the guests into the dining room, where Mrs. Z. Edward Boaz of Anson poured punch. Others assisting in the dining room were Mrs. A. Hudson and Mrs. Perry Sparks.

Announcement of the approaching wedding of Koleta and Glenis was printed in gold on the napkins. The guests were directed to the bedroom, where the lovely gifts were on display.

Several vocal numbers were given by Miss Dorothy Fern Routh, accompanied by her sister, Mrs. Lesley Shelburne, at the piano.

Frances Gardner and M. R. Young to Wed June 21st

Mr. and Mrs. B. H. Gardner have announced the approaching marriage of their daughter, Frances Nell, to Marvin Kindall Young Jr., son of Mr. and Mrs. M. K. Young of Ralls.

The ceremony will be read Saturday, June 21 at the Hamlin First Methodist Church.

Miss Gardner is a graduate of Hamlin High School and has been attending McMurry College at Abilene for the past three years.

Mr. Young is a graduate of the Loveland High School and McMurry College. He served in the Navy as a lieutenant (jg.). He is employed for the summer as a chemist in an ordnance plant in Dumas.

Oveta Wilkins is Wed To Elva Ray Hill

Miss Bonita Wilkins, daughter of Mr. and Mrs. H. Wilkins of Hamlin, became the bride of Elva Ray Hill of McCauley, in a ceremony read Saturday, May 24.

Rev. J. R. Wilkins read the ceremony.

Mrs. F. P. Wilkerson and Mrs. Elva Horton visited Mrs. McClary in Winters Sunday.

Sunday School Classes Enjoy Garden Party

Members of the Alathean and Mary-Martin classes of the First Baptist Church enjoyed a May social with the following hostesses: Mrs. R. A. Crockett, teacher of the Alathean class, Mrs. M. Y. Wilson, Alathean Class mother, Mrs. B. B. Reid and Mrs. Bill Deel.

The party was in the church basement Thursday evening. Each member brought flowers, buds, or seeds for exchange.

Arrangements of May flowers were used in decoration.

Mrs. M. Y. Wilson brought a very interesting devotional on the theme, "My Flower Garden".

Leaves of various plants, flower and trees were on display for the group to identify.

Ranch style hot dogs and cold drinks were served to members following fun and fellowship.

Those present for the garden party were Mesdames Cecil Brown Edd Decker, V. T. Stringer, Edward Gaddner, J. T. Hart, Delmar Shelburne, A. G. Irwin, I. R. Huchingson, Kelly Scott, Alvin Mayfield Clyde Carroll, B. W. Niedeecken, I. D. Miller, Eunice Perkins, Leona Cartter, Martha Rhoton, Henry Holloway, Alton Clemmer, and W. C. Russell, teacher of the Mary-Martin Class and the hostesses.

Cotton Carryover Is Lowest Since 1928-29

Hamlin region farmers are advised the United States had less cotton on hand May 1 than at any time since the 1928-29 season.

This statement is from the University of Texas Bureau of Business Research, Austin, which declares the U. S. cotton balance sheet showed 5,792,000 bales of cotton on hand May 1.

The May 1 balance brightened hopes of all cotton producers, for one has to go back to 1923, when 4,701,000 running bales were on hand, to find comparative totals.

The August 1 carry-over of cotton, the bureau discloses, will be 7,522,000 bales—compared with 11,164,000 bales for the same time in 1946.

Otto Berlin of Dallas, a Hamlin resident for several years, was visiting Mr. and Mrs. Tate May during the weekend.

News About Folks You Know

Mr. and Mrs. R. L. Matecha and family of Odessa are here this week for a visit with her sister, Mrs. Bill Milton and family. Her mother, Mrs. Wilcox, had been visiting in Odessa and returned home.

Survey Planned for Sugar Rationing End

Jones Countians are advised that the U. S. Department of Agriculture is planning a survey with the viewpoint of ending sugar rationing.

Secretary of Agriculture Clinton Anderson says this, however, does not indicate sugar rationing program will end soon. It simply means the government is making advance plans for "defrosting" the sugar situation.

Real Estate for Sale

FOR SALE—365 Acre farm, 325 acres in cultivation, modern 5 room house on Highway, 3-one-half miles of Hamlin. Possession of home and row crops immediately. Price \$100.00 per acre. If interested in New Mexico ranch lands pains wheat land, see me J. B. Eakin, at Hamlin Hotel.

FOR SALE

Five room frame with modern bath. Close in. A good buy.

Five room and Bath, brick veneer, well located, price is right.

You have the nod on this one. Excellent five-room frame, modern absolutely A-1 condition—you will like it. Now read this, completely furnished with almost new furniture. You be the judge. The furniture is lovely and beautiful throughout. Don't let this get away from you.

An extra good 20 acres, well improved, immediately outside a suburban district of a good West Texas town. Within two blocks of school system. A new four room and modern bath. A good tank on the place, plenty of water, and small pasturage. The yard is well landscaped. The entire place is fenced with hog proof wire. Price \$3,000.00 to sell.

H. O. CASSELL & SON
F. & M. Bank Bldg.

By Jeanelle T. yant

Did you miss us during the week end? Don't bother to answer, please. But we were away. We visited in Italy that now famous town which had such a successful clean up day, and we can verify reports that the town is very attractive and clean. As a result of that campaign a bill has been passed setting aside a state-wide clean-up day.

We went back to our former home, Mineola, too, and had a wonderful time visiting with our friends. It is a beautiful city but honestly we have already learned o

love the wide-open spaces, and from all our boasting about Hamlin and Jones county one would get the impression that we might be a paid representative from the local Chamber of Commerce. The air just seemed purer when we got back on the plains, and we were tempted to start singing "Home On The Range". So, we are here to stay, and we definitely like it.

This is our first opportunity to see the great wheat harvest, and are we getting a kick out of it. Makes you feel that the Almighty God must favor this part of the country by giving us such an abundant crop of that grain which is the staff of life.

All Hamlin is happy that Dr. Will C. House is returning to the local Methodist Church. He is recognized, not only by his flock but by the entire town, as a very distinguished, likeable gentleman, who would be an asset to much larger places. Just another proof that no person is too fine for Hamlin.

Did you hear your hometown paper and Chamber of Commerce given recognition over the Home-town Editor program at noon Saturday over KGKO? Bert Halting read the article about the great success of the C. of C. Membership drive. Several East Texans mentioned it to us.

The Herald has a new linotype operator, a man we think you will like. He has been living in Idaho but wanted to come back to Texas. So, let's show him a hearty welcome. His name is James (Jim) Hodges. Come around and get acquainted. If you have never moved into a new place, you don't realize how much a friendly greeting and welcome means. Just one cheery word can start your heart to singing and make you glad you are here.

Plan to send your children to one of the Vacation Bible School being held at the various churches during the next few weeks. They will receive valuable training, and free of charge.

In Dallas we were pointing out the sky scrappers to our daughter, and suddenly realized that people were staring at us, wondering just what was wrong. What they don't know is that we feel just as sorry for them as they do for us. We had lots rather go through life without ever seeing those tall buildings than to miss seeing the rolling plains with nothing to obscure your view for miles and miles.

A friend in Fort Worth, who was reared in a small town, ran to the window when the fire siren sounded. He said, "I'll never get used to the big town life. I still want to know what is going on" And don't we all?

If all this sounds confusing, it must be the heat. Speaking of the weather, you have heard that love song, "June in January". It was almost the opposite last week that is what makes life in Texas so interesting. We have more to talk about with such a variety of climatic conditions.

Valedictory Address

by Jane Adams

We, the member of the graduating class of 1947 of this our Hamlin High School, wish to express again our appreciation and sincere gratitude to our parents for their sacrifice in directing and aiding us in our achievements, to faculty for their cooperation, to the Board of Education for their valuable contributions of time and effort, and to our many friends who have faithfully stood on the sidelines of our activities. We know that you have all contributed through the realization and foresight that "it is from the visions of youth that comes the inspiration to make tomorrow better than today". We realize that it has been the business of education to give the body and soul all of the perfection which it is capable and today at this our commencement, we pledge ourselves to justify these investments.

To the members of my class: Naturally, I would like to say that I wish you success in life, but better still, I hope that you have discovered the secret in working to that success. Success can come only through wise choices, deliberate practices and diligent effort.

To strive to go adventuring along unknown paths; to seek to make a real dream to find the meaning of that wonderfully patterned thing called life, these are the desires which ever live in the heart of man. Ages ago, great souls felt the urge and went forth

on pilgrimages, each to the shrine of his choice.

And today, all over the world, those in whom the vision dwells, go forth in like manner, giving to the quest the added joy of fellowship. There may be difficulties to surmount to make the pilgrim strong, but if he keeps burning clear and bright, his soul's fire, his faith and hopes shall be undivided.

You, my classmates, will continue your pilgrimage to the shrine you have chosen. And now: as you go forward, may the spirit of our High School go with you, that you may cherish it, and that it may guide you to your goal.

Will the audience please rise while we sing our school song.

Two Days Set Aside at State Fair for Children

Children of the Hamlin area will be interested to learn that two days of fun and education have been set aside on the State Fair of Texas calendar for the school children of the state, according to an announcement received here today from W. H. Hitzelberger, Executive Vice President and General Manager of the State Fair.

Grammar School Day has been set for October 10, followed by High School Day on October 17. Many schools over the state, especially those within a 100-mile radius of Dallas, declared annual holidays so that their students may attend the State Fair.

In announcing the two special dates early this year, Mr. Hitzelberger said he wanted to allow superintendents and principals ample time to plan for the event and mail request for free student tickets at the earliest possible moment.

TODAY'S PRICE ONLY 14.40

5.50-17-14.20*, 6.30-16-17.45*, 7.00-15-19.35*

B. F. Goodrich announces a big reduction in the
price of the famous Silvertown tire!

Yes, you can now buy all popular sizes of the tire
that outwears prewar tires at actually less than prewar
prices! And despite higher manufacturing costs too.

One of the things that makes possible this huge
price reduction is the tremendous demand for the
new Silvertown—greater than for any tire B. F.
Goodrich ever produced. In fact, more miles have
been driven on this new tire than any other tire intro-
duced since the war.

Typhus Fever in
Texas Becoming
Major Problem

In recent years typhus fever has
developed into a serious health men-
ace in this area, according to Dr.
George W. Cox, state health officer,
who Wednesday issued an appeal
for every citizen to cooperate in
rodent control measures which will
prevent the spread of this disease.

"Last year, 1,147 cases of typhus
were reported in Texas, and in the
first 18 weeks of this year the State
Health Department has been noti-
fied of 185 cases," Dr. Cox stated.

"With the peak of this disease
usually occurring in August, if the
present trend is continued, we may
expect this total to be greatly in-
creased by the end of summer."

The type of typhus fever occur-
ing in Texas is known as endemic
or Brill's disease, and is transmitted
to human beings from infected rats,
by means of the rat flea. The erad-
ication of rats is the only way to
reduce this health hazard, and a
consistent program will materially
aid in the control of typhus in Texas.

Dr. Cox stresses the fact that it
is the duty of every individual to
cooperate in strict rodent control
measures since the eradication of
rats is the only possible way typhus
fever can be controlled.

Jester Says Wallace
Man Without Party

"Some Texas people may not
all agree with me," states Governor
Beauford H. Jester of Texas, "but I
will maintain that there might be
an appropriate place for Henry
Wallace and his appeasement crowd
but that place is not in the Demo-
cratic party."

"I am sure his former party, the
Republican party, has no place for
him either," the governor continues.

"It was his capacity for courag-
eous and decisive action which plac-
ed America in her rightful leader-
ship of world affairs."

"The Truman doctrine is Jeffer-
son democracy on a global pattern.
His bold concept of world justice is
a challenge to the soulless dogma
of Communism."

WAR NURSE

SHE was born in War's grim garden,
A rose of the battlefield,
Baptized under hell and fire
While the world around her reeled.

She stayed at the front against orders
And when GI gripes began
One Joe cried "If she can take it,
I am sure we soldiers can!"

Mercy's angel in a helmet,
She knew many a prison hell;
She lived and died like a soldier...
To the wounded she was "Swell!"

With the war she's been forgotten
Like the strains of "Over There,"
But each soldier boy remembers
Some brave War Nurse in his prayer.

NICK KENNY

Courtesy Nick Kenny and New York Daily Mirror

The poem WAR NURSE was written especially by Nick Kenny of
the New York Daily Mirror as a contribution to the \$2,000,000
fund raising drive for the construction and endowment of the
Nurses National Memorial Home in Washington, D. C.

Salutatory
Address

by Patsy Fletcher

Parents and friends, the class
of 1947 welcomes you to this com-
mencement service. Your pres-
ence here tonight speaks of your
faith in us and your interest in
our school. This appreciation
which you show by your pres-
ence makes us realize all the
more the importance of our ac-
complishments and of the tasks
that are before us.

Our public schools have made
an effort to accomplish four major
points with us.

First to develop each of us as
no two of us are exactly alike and
separate and distinct personalities.
the public school must have a
broad program and a flexible
course of study to fit the needs
of the class as individuals.

Second the Public School has a
purpose—to make of us a self-sus-
taining, self-determining individ-
ual. Each must be prepared to
carry his own economic load, to
sustain his own moral attitude
and be equipped to formulate his
his own opinions. The American
public schools seek to elevate the
individual upon his own plain of
opportunity and there he may de-
termine for himself the direction
his life will take.

Third, to develop us as cooper-
ative individuals. Our democratic

life. It exists because its people
are cooperative in allowing it to
exist. Therefore, our school, in ful-
filling its place is a democracy,
must train its youth in cooper-
ation and equality.

Fourth to become a participat-
ing individual. Democracy means
participation. Every citizen has
his part and it is the business
of the school to prepare him for
his part.

Through the fine cooperation
and participation of the citizens
of this community, we feel that
our school has played its part and
has been successful in its purpose.

Again as the class of 1947, we
welcome you to this occasion
which marks the end of our public
school life.

State Health Officer
Warns Against Use
Of New Potent Drugs

"It is an unfortunate fact that
some people in the Hamlin area are
willing to risk their health—possibly
even their lives—by prescribing for
themselves and taking a drug that
they have read about somewhere and
which has been termed a 'miracle
drug,'" states Dr. George W. Cox,
state health officer.

"Although such drugs as penicillin,
streptomycin, thiouracil and sulfa
drugs have been of great value in
combating diseases that have heret-
ofore been very difficult to control,
nevertheless, they can be very dan-
gerous products in untrained hands.
They were never intended to be used
promiscuously for self medication."

A Man Feels as Good

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Mr. and Mrs. M. T. Mason and daughter from Comanche, Texas, visited last week in the home of his mother and sister in McCaulley.

Mr. and Mrs. Jack Perryman and daughter from Sweetwater were visitors last week at the home of his mother in McCaulley.

At last grades have been received from Civil Service in Washington by those taking the examinations—for the McCaulley postoffice, Roy Hemmington topped the list with the highest grade, Leo Masser was second, highest, Melvin Hunter, third; Mrs. Jerry Crowley fourth.

Others taking the examination were: Hughie Parker, Frank Jackson and Mrs. Lewis Lawlis.

Quite a little stir in the old home town last Friday when a boy rushed into town and reported that two men were fighting in a car on the highway east of McCaulley. When townsmen arrived on the spot the car with all occupants had vanished. Maybe so the boogie man got 'em.

Some of the big shots, the press and radio keep harping on the future war with Russia and the Russian press seems to be hinting to their people about a war with U. S. War or no war we had better keep plenty of guns and something to fight with just in case. If we have to appease our enemies with food and war materials, in our opinion that's poor business.

E. C. Waldrop and son Johnnie Wayne flew their piper cub over in New Mexico a couple of Sundays ago, went to church and Sunday school in that state, ate lunch with his sister and then flew back to McCaulley in time to milk the cows that evening. After all its a small world.

Bennie Ray and Johnnie Max Jones are home for the summer. They are students of McMurry College. Their Mom and Pop is Mr. and Mrs. C. D. Jones.

Mary Ann McCullum a McMurry student is home for a few days, she will attend summer school.

The scribe had a invite over to Hamlin lake last Thursday night for a Bar-B-Q and all the trimmings, given by the General Crude Oil Company to their employees and friends. It was our first time out at night since the wreck and even tho' on crutches, we had a grand time. Thanks to Mr. Hulsey and sponsors.

We saw a couple of good soft ball games at the Hamlin park last Thursday night, but have liked to

have froze to death. An old-cripple man hasn't any business at a ball game anyway we are convinced.

McCaulley cotton gin will be ready for the first bale of the season. Yop ol dGeorge and the boys will be on hand to serve you—that is if we don't get kicked by a mule or something. Sho' superstitious though, might even believe just a little black magic.

Tom Holman tells us that he and family sho' did miss the Pot-shots while the ole boy was knocked out. Said he agreed with our comments at least seventy-five per cent of the time. The percentage in our favor, thanks Mr. Holman.

Hav'n't been around here much of late therefore 'we don't know much social news so will fill up most of the space with "chatter" until we learn something for sure.

Bonds for the job as notary public for McCaulley for another year were made last week by Levi McCullum, Mrs. Vera Jayce, F. L. Rector and George Darden.

The wheat harvest is on a boom in this parts and combines and trucks are running night and day. The yield is better than at first expected.

A contract has been let to fence the McCaulley cemetery. A caretaker has also been employed. If interested your donations to the fund will be appreciated.

Mr. and Mrs. L. B. Miers and Mrs. Joe Miers and S. F. Miers spent last Sunday in the N. D. Miers home at Hobbs, Texas.

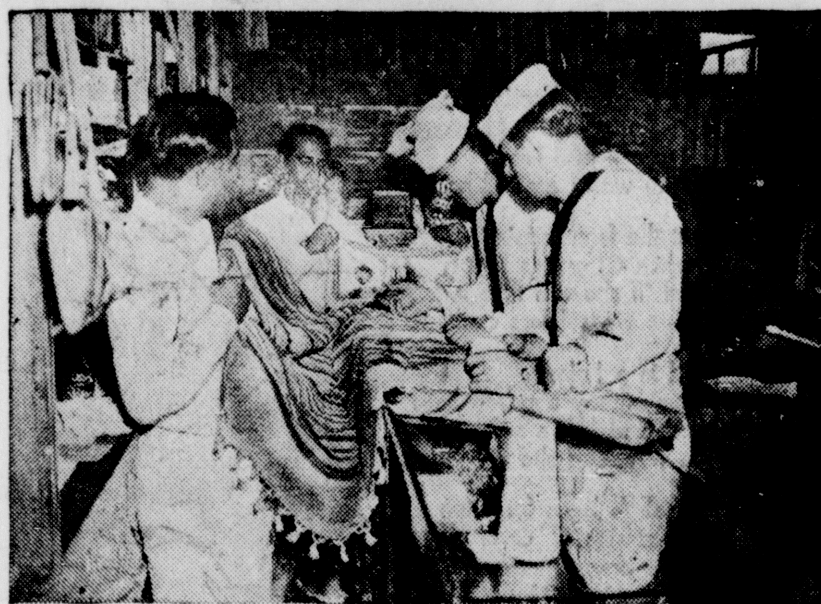

Mrs. Pete Forbus underwent a major surgery in a Sweetwater hospital last Saturday.

Roy B. Harriman age 19, who was killed when ran over by a truck 2 miles west of Rotan last Friday was a nephew of Mr. and Mrs. Tom Price of McCaulley.

Listen folks, there is to be an election Saturday, June 7, in McCaulley and Royston to see whether or not the Royston Independent school district will or will not consolidate with McCaulley.

Royston has not had a school for several years. We want them in our school, we welcome them to McCaulley. We hope that our neighbors, the Royston folks will see fit to vote 100 per cent to come to McCaulley and it is the duty of the McCaulley citizens to turn out to the polls in large numbers and vote for consolidation, by so voting we will show our neighbors that we welcome them in our school set-up. Vote Saturday folks in McCaulley

A BIT OF SHOPPING IN PANAMA

Naval Reservists on a training cruise of the USS Wisconsin spend part of their liberty ashore in Colon, Republic of Panama, selecting presents for the folks back home. They are among 600 Reservists from the Third, Fourth, and Ninth Naval Districts recalled to active duty, voluntarily, for two weeks of training aboard the "Wiskey." The cruises give the Reserve sailors a chance to learn of the latest developments aboard this mighty warship. As a part of the Wisconsin cruises there are two days of liberty in Panama for sightseeing and shopping. Many of the men bring back perfumes, lingerie, alligator skin luggage, white shirts, summer suits and other items which are obtainable at prewar prices. (Official Navy Photograph)

Smith Doxey Cotton Act Benefits to Farmers Available in Section Again

Benefits of the Smith-Doxey Act, a federal service to induce planting of better cottonseed, can be obtained

by all farmers of Jones, Fisher and other counties who care to utilize this service. J. E. McDonald, state commissioner of agriculture, reports.

at the gin office. Please don't say you forgot to vote.

Our new school building which is well on the way to completion should be inducement to all surrounding communities to consolidate with us.

McCaulley folks are not the kind of folks who wish to break into another communities school, but we are the kind who welcome other schools whenever and wherever other schools are forced by insufficient number of pupils to carry on their own schools.

We hope that the good people at Boyds Chapel and Pledger will give our school every consideration when and if they thing of consolidation.

McCaulley citizens show your colors next Saturday and lets give the Royston people a great big welcome. Vote for consolidation.

McDonald declares services available by the Smith-Doxey Act are being offered through the Production and Marketing Administration absolutely free of charge.

"To obtain this service," the commissioner states, "organize a group of two or more farmers and request your ginner, who will be put under a federal bond, to cut samples from both sides of your bale and send same to one of the branch offices. Sacks and postage-free shipping tags will be furnished the one designated to cut samples at the gin."

"Many such groups in community centers are already organized. They will merely renew their applications for this service," the commissioner added. "Farmers not having an organization, who desire this service, should give attention to this matter at once as the deadline for filing

applications will expire August 1, 1947. Write the supervisor in charge of the station nearest you for necessary blanks.

"When samples of your cotton have been processed by a government licensed and bonded classifier," the commissioner points out, "a card showing grade and staple of each bale will be mailed directly to you. The marketing bulletin posted at your local gin gives you daily information as to the actual market value of your cotton, as indicated on your card. It will also help you to determine whether or not you are getting good ginning service and also whether or not you are planting the best varieties of pure seed. Through your community organization you will have available good quality planting seed.

"As commissioner of agriculture," he concluded, "I heartily recommend this service offered by the federal government and suggest that farmers take action at once to make use of same."

BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Connally of Sweetwater are announcing the birth of a son, Charles Edward Jr., May 19 at a Sweetwater hospital.

Plenty More Underneath.

Rastus and Sambo were on transport going overseas. "Just look at all that water," exclaimed Rastus, looking out across the ocean.

"You ain't seen nothing," replied Sambo. "That's just the top of it."

Tarpaulins-

We have a nice stock of Water Proof Tarpaulin. Don't take a chance of getting that wheat wet. See us for Tarpaulins.

FORTY-SECOND YEAR— NO. 31

HAMLIN, JONES COUNTY, TEXAS, Friday, June 6, 1947

TEN PAGES TODAY

Wheat Harvest Going "Full Blast"

Pipers Team Tie Trent For Diamond Lead

Hamlin High School's undefeated Piped Piper baseball team is riding high this week, tied with Trent for top place in the district schoolboy race. Both teams have won three games and lost none, for a 1.000 average.

Barring a defeat suffered by either team this Friday, the game here next Tuesday afternoon at 2:30 o'clock may well determine the league championship or, at least, give fans an indication of the strongest team of the loop.

Last Friday the Pipers defeated Rotan 6 to 2 and the previous Friday wall-ped Merkel 1 to 5.

Today the Pipers journey to Colorado City to cross bats with the high school club of that city, an aggregation which is tied for second place at .500 with Merkel, having won two and lost two.

In the lower bracket Rotan has won one and lost two and Tuscola is buried in the cellar with three losses.

Last Friday Roland hurled a nice game, giving up five hits to Rotan and striking out 14 batters who faced him. Neither team committed an error, all runs being earned. Hamlin picked up 12 hits.

Batting averages for the Pipers as compiled by Coach L. B. Howard follow:

Player	AB	H	Pct.
C. Townsend	8	4	.500
Roland	30	13	.433
George	21	1	.429
Black	33	14	.424
Franks	21	7	.333
Hill	25	8	.320
Dean	27	7	.259
Laffoon	4	1	.250
Putnam	21	5	.238
May	9	1	.111
W. Townsend	17	1	.060

Value of Jones Land' Declines

COLLEGE STATION — Two Texas counties, Ellis and Nacogdoches, showed an increase in average cost per farm acre in 1946 while a third county, Jones, showed a minor decrease, Texas A. & M. college report revealed today.

The report, based on farm land market activity in three sample Texas counties, showed that transfer of property moved at a brisk pace with 790 sales, 168 more than in 1945.

Other figures showed owner-operators bought a higher percentage of farms in 1946 than the preceding year and the proportion of cash sales decreased with mortgage credit doubling. Down payments dropped from 47 percent of the purchase price in 1945 to 38 percent in 1946, the report showed.

In Ellis county the average increase in the price of land was \$5.80 per acre over the preceding years average, while Nacogdoches county showed an increase of \$4.64 per acre. A decline of \$2.10 per acre was reported in Jones county.

The average size of tracts sold in all three counties increase in 1946. The Ellis average 125 acres, Jones, 170 acres and Nacogdoches, 86 acres. General terrain in Jones county consist of rolling plains, black prairie in Ellis and northeast sandy lands in Nacogdoches.

To Federal Reserve Bank
James Tate May was visiting his parents. Mr. and Mrs. Tate May from Thursday to Sunday. A student at Baylor, he will be employed at the Federal Reserve Bank in Dallas this summer.

Mrs. E. A. Woods, Mrs. M. P. May and Dr. and Mrs. C. C. Rister spent Tuesday at Snyder with Dr. Rister's sister and family.

Vacation Bible School Plans Are Complete

"Don't forget to be on hand Saturday morning at 9:30 a. m. at the First Baptist Church to register for the annual vacation Bible school," Rev. John Osteen, pastor, reminds all the Hamlin children, from nursery through intermediate ages. Games will be enjoyed, two motion pictures shown and refreshments served to everyone present.

"You may register at Sunday School the following day, or Monday morning at the opening session if you cannot be present Saturday," Rev. Osteen stated.

All workers are asked to be present Saturday for final preparations. Classes will begin at 8:30 a. m.

Monday morning, and will continue through Friday. Commencement exercises will be held Sunday evening at 8:00 p. m. All who attend the required number of classes will be awarded diplomas. Every department will have some special part on the program. Work of the children will be on exhibit.

The school will be dismissed at 11:15 each morning. Refreshments will be served every day. All children in the named age group are invited to attend any or all classes.

\$5000 in Prizes To Be Awarded at Cowboy Reunion

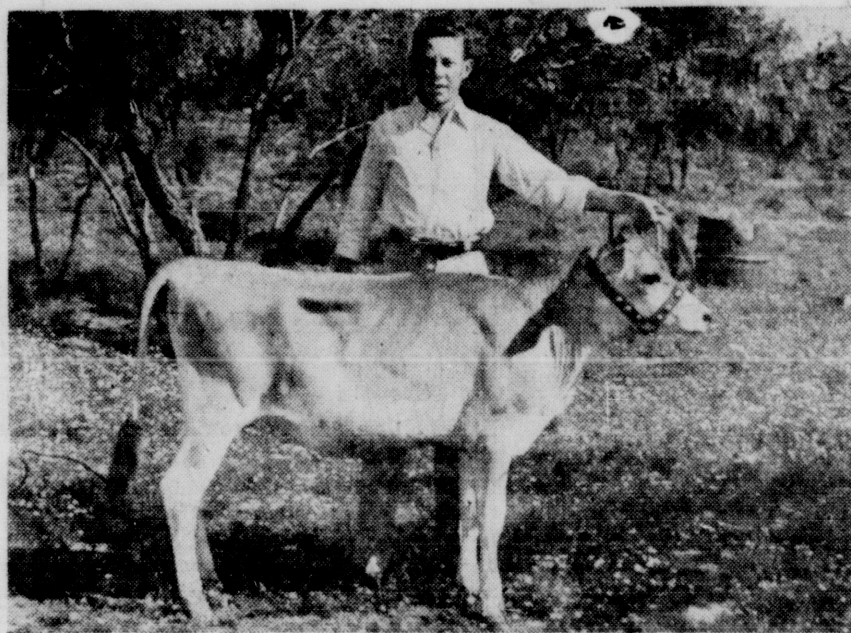

Cowboys and cowgirls attending the seventeenth annual Texas Cowboy Reunion at Stamford on July 2, 3, and 4 will be gunning for slightly more than \$5,000 in prizes. The figure represents a 10 percent increase over the 1946 prize list. Five special made saddles will be awarded, along with other attractive prizes.

The American Quarter Horse show in connection with the Texas Association will hold an official Cowboy Reunion rodeo. It will be the seventh consecutive showing here. Twelve hundred invitations, entry blanks, rules and prize lists were mailed to breeders in Texas, Oklahoma, New Mexico and Colorado who are registered with the American Horse Association. In anticipation of a record number of entries a new stall barn is being built which will enable the committee to accept approximately thirty more animals than in 1946 when it was necessary to turn down entries due to lack of stall space.

A gas-a-spre-war style) parade is being planned for the opening day (July 2nd). Heading the parade will be Hon. Beauford Jester, Governor of the State of Texas, along with other state officials. The Cowboy band from Hardin-Simmons University will be the official band and will not only lead the parade, but will play at each performance of the entire show. A number of high school bands in the area are expected to be present on opening day to compete for the cash prizes. The usual commercial floats, ranch chuck wagons, mounted cowboys and cowgirls, along with many of the quarter horses, will complete the parade picture.

Mrs. B. Hasson is spending a few days this week in Cisco with relatives.

Top Ranking Jersey Club Member and His Award

Pictured above is Clifton Townsend, top ranking member of the Hamlin Junior Jersey Club and the outstanding Jersey heifer which he has been awarded by the Hamlin Chamber of Commerce. Townsend is the first local boy to receive one of the registered heifers to be awarded each year to the outstanding Junior Jersey breeder.

Chamber of Commerce Awards Fine Jersey to Outstanding Youth

Hamlin Chamber of Commerce recently awarded an outstanding registered Jersey heifer to Clifton Townsend, who is a top ranking member of the Hamlin Junior Jersey Club composed of Hamlin Vocational Agriculture boys. This is just one of the main efforts put forth by the Hamlin Chamber of Commerce to stimulate the breeding and developing of better dairy cattle and other lines of good livestock and poultry in this section of country. Each year one top ranking dairy boy of the Hamlin Vocational Agriculture department will receive a good registered Jersey heifer through this continuous improvement program.

This heifer is tops in breeding for production, being sired by Sparkling Noble Sultan, a son of Ivy Sparkling Standard, one of the great herd sires on the Heep Jersey Farm at Austin Grand dam is Tiddewinks Pansy Rose, a very high production cow with an official classification of excellent. Dam of the heifer is Xenia Empire Mad You'll Do, a high producing cow with an official record of 546.16 pounds of butter fat in one year.

Evans Reece, president of the Texas Jersey Cattle Club bred heifer on the Reece Jersey Farm at Waco. At the Jersey Show held in Waco early in May of 1947 this heifer won first place blue ribbon in her class. Townsend is very proud of his heifer and hopes to develop her into not only a good show animal but also a high producing milk cow. She will be bred to Draconis Ivy Sultan, the outstanding young Heep-bred bull owned by Clifton and the other members of the Hamlin Junior Jersey Club.

The Hamlin "Jaycees", the senior Chamber of Commerce, The Lions Club, and the Hamlin Rotary Club are all giving splendid financial and moral support to their club boys' agricultural programs. This is one of the finest ways in the world for a community to make better men out of its boys and also produce better livestock.

Here from Tennessee

Mr. and Mrs. Charlie Clark and Mrs. Annie Rains of Dunlap, Tenn., were here Tuesday and Wednesday visiting relatives and seeing the country. They came to see a first cousin, Ross Turner, who had just recently moved to Oklahoma, but did get to visit two other cousins, Mrs. Vernon Stewart and Mrs. Roy Maynard.

It was their very first visit to Texas and Mr. Clark was very favorably impressed with this section of the state, saying he would like to live here. He has been with the conservation department in Tennessee for twenty years. They spent Wednesday night with Mr. and Mrs. Fred Hall at Swenson.

Mrs. J. H. Burkett spent the week end in Dallas with relatives and Anna.

Several Local Men Solo at Hamlin Field

Interest in still growing in aviation in this community, according to reports from J. R. Elliott, manager and instructor at the Lone Star Aviation School here. Large crowds were present Sunday and many took plane rides.

Others soloing at the school the past few days were Truman Boyles, Wilburn Boyd, J. W. Riddle, Edward Dodd, Huile Parker, Edwin Shadle and Bill Eysen.

Some are taking advanced work in PT-19 for acrobatic flying are Gene Robinson, Bob Harwell and B. A. Shaffer. Robinson and Harwell have already soloed in this training.

Ronnie Ray and James Norwood took their private license solos Friday, and Travis Smith is ready to solo.

C. C. Cooper Dies Wednesday at Denton

C. C. Cooper, 72, early McCauley settler, died at Denton at 12:30 a. m. Wednesday morning. He taught school at McCauley many years ago, was a Fisher County surveyor and was in business there for several years.

Funeral services will be held Friday afternoon at 3:00 p. m. at the McCauley Baptist Church with Rev. C. E. Dick, pastor, officiating. Interment will be in McCauley cemetery.

He is survived by his wife; one daughter, Mrs. Bill Robertson; one son, R. A. Cooper; two sisters, Mrs. M. A. Connell, Lubbock, and Mrs. Bert Mayo, McCauley; two brothers, Sam Cooper, Coleman, and Charlie Cooper, Fort Worth; and one grandchild.

Criswell Sentenced; Asks New Trial

A. F. Criswell of Merkel was assessed a \$740 fine and six months in jail in a verdict rendered in Taylor County District Court last week. Criswell was charged with murder with malice in the death of A. C. Sosebee, Jones County Commissioner, who died January 21 of this year after Criswell struck him on January 14.

Criswell's attorneys have filed motion for a new trial, listing four points as contention for a new trial.

Graduates from Tech

H. Dean Redus, son of Mr. and Mrs. W. R. Redus of McCauley, received his degree in electrical engineering from Texas Tech in Lubbock Monday night. Accompanied by his wife, he is now visiting here before going to work in Amarillo.

Mrs. J. H. Foster is visiting in New Mexico this week.

Sentences Pronounced In 104th District Court

Dr. Will C. House Returned Here at Annual Meeting

Dr. Will C. House, pastor of the First Methodist Church of Hamlin since last November, was again assigned as pastor of the local church, it was announced when the bishop's appointments were read at Amarillo last Sunday afternoon.

Return of Dr. House to Hamlin is gratifying not only to members of his faith but other townspeople are equally as glad he has been returned. He has been active in the upbuilding of the church since becoming pastor in the fall. Due to the fact it had been only six months since the last conference and the annual meetings will be held in early summer, most churches retained pastors assigned at that time.

Hortense Phenix Is McMurry Graduate

Miss Hortense Phenix, daughter of Mr. and Mrs. Carl Phenix, was among the fifty-seven McMurry College graduates to receive degrees and certificates at the school annual Commencement Exercises, Tuesday, May 27.

Ray H. Nichols, editor of the Vernon Record, delivered the commencement address.

Creamery Manager To Move Family Here

Mr. and Mrs. C. V. Shelton and children, Shelia and David, are moving to Hamlin where Mr. Shelton will be manager of the new Banner Creamery, now under construction.

The Sheltons will occupy the apartment over the city hall, when it is finished, but are at present living in rooms.

They are members of the Methodist Church. Shelia is 12 years old and David is nine.

Father of Mayor Dies Suddenly at Lake Phantom

Hubert Toler, 63, Abilene businessman, and father of Mayor Holly Toler of Hamlin, died early Tuesday of a heart attack while at his Fort Phantom Lake home. He and two guests were spending the night at the lake, Mrs. Toler having returned to Abilene earlier in the evening.

Mr. Toler had gone down to the lake to check some lines when he was stricken and seen to fall. He was dead when they reached him. Funeral services were held at Abilene Tuesday morning with interment following in Cedar Hill Cemetery.

Besides the widow and the son here he is survived by a daughter, two other sons, and five grandchildren.

Stamford Man Heads 5th Legion Division

James R. Gleaton, well known Stamford man, and retiring commander of the 17th District of the American Legion, was elected commander of the Fifth Division at the annual convention held at Sweetwater Sunday.

Retiring Commander George Berry of Lubbock was endorsed for state department commander.

Mr. and Mrs. Bert Reynolds and children of Clovis, New Mexico, returned home Saturday after a visit with his mother, Mrs. W. S. Reynolds, his sister, Mrs. M. S. Johnson, and brothers, Leigh and Mack Reynolds.

Elbert Smith was sentenced to three years in the penitentiary on two charges of passing forged instruments after pleading guilty in 104th District Court at Anson last Thursday. They were allegedly passed in Hamlin last November. Judge Owen Thomas assessed terms on several cases last week.

Earl Lee Smith, negro, who was convicted of killing Sam Dansby, a Hamlin negro, was sentenced to three years in the penitentiary by Judge Thomas. Smith gave notice of appeal.

Frank Brown, negro, pleaded not guilty when he was arraigned this week on a charge of killing Andy McGee, negro, at Stamford April 25. His bond was set at \$3,500.

Brown's case will be continued to the September term of court, District Attorney Esco Walter said.

Cecil Adams was given a suspended three-year sentence after he entered a plea of guilty to a forgery charge. S. A. Moser of Stamford, who said he received the \$120, check in question, testified that Adams has since paid it and recommended the suspended sentence.

Reductions Cut ACA Activities In Jones County

Virtually all programs now being carried out in Jones County through the ACA office (formerly the Triple A) have been canceled by Bill Leonard, administrative officer for the county. The cancellations come as the result of reductions made by Congress two weeks ago.

Projects cancelled were terracing, strip cropping, building tanks, eradication of mesquite, digging water wells, construction of diversion terraces, payments for contour farming, fertilizer and seeds, including legumes, vetch and winter peas.

Mr. Leonard revealed that up to this time in 1947, Jones County farmers have already been paid over \$140,000.

Fisher Grand Jury Returns Two Bills

A three-week session of the 104th District Court of Fisher County opened in Roby Monday morning. The grand jury returned two felony indictments before adjourning until June 19.

Bills of indictment were returned against George Parker, Negro, for felony swindling. Parker is charged with forging a \$100 check to a Roby concern. Fernando Grier was also indicted for swindling.

Singing at Calvary Church Sunday

Everyone who likes good singing is invited to attend the regular singing next Sunday afternoon at 2:30 o'clock p. m. at the Calvary Baptist Church, according to an announcement by Miss Georgia Nunn, secretary.

Miss Nunn stated the group was expecting new class song books in the near future and asked all to come out and help sing.

James Steed on Carrier Siapon

James I. Steed Jr., aviation chief machinist's mate, USN, of Hamlin is serving aboard the aircraft carrier USS Siapon.

Steed entered the Naval service in September, 1939, and received his recruit training at the Naval Training Center, San Diego, California. He plans to visit his parents here about June 16.

Mrs. W. L. Walton returned Friday from Los Angeles, Calif., where she visited her daughter, Mrs. Charles Shulte, and grandson, J. E. Walton.

No. 1 Listed at \$2.05 In Hamlin On Thursday

Fast-moving combines and loaded grain trucks rushing wheat to local markets have filled local streets to overflowing the past week as jubilant wheat farmers of this area work day and night to harvest the biggest wheat crop grown here in several years. A few acres were combined early last week, and the first wheat arrived here Monday afternoon minutes after he nation's first 1947 wheat was sold in neighboring Haskell. Early last Thursday wheat started moving in earnest, and the work has proceeded at top speed ever since.

Hamlin grain dealers had a price of \$2.05 for No. 1 wheat posted on Thursday morning. The price was \$2.10 early Monday, later dropped to \$2.00 and government support has since pushed the price back some, where it has remained fairly steady.

HAMLIN WHEAT FIRST ON MAJOR MARKET

Haskell County wheat was harvested a very brief time ahead of Hamlin, but wheat from here was the first to be sold from the new crop on a major Texas market. The carload brought \$2.60 per bushel f. o. b. Hamlin. This figured \$2.85 basis delivered Texas common points or on Galveston domestic rate.

Wheat being harvested is said to be in top condition and is grading well. Approximately 140 cars have been loaded here in just a week's time. It is believed 200 to 250 cars will be handled here. Joe Cubelison, one of the largest local growers, stated Wednesday that if area acreage was as large as reported, 300 cars or better would be handled here.

Wheat throughout the area will average 12 to 15 bushels per acre, a very good yield, it is said. Some growers are reporting all the way from 14 to 25 bushels, and some smaller fields have ranged as high as 30 bushels.

Barring bad weather, the harvest will be practically over by next week-end, it is said. The crop will put thousands and thousands of dollars in the pockets of area growers.

Corn observers stated this week that although the hot, dry weather was fine for the wheat growers, cotton and small grain feed crops would suffer if hot winds continued.

Last Rites for Mrs. Judge Crow

Funeral and burial services were conducted at Neinda Baptist Church Wednesday afternoon at 3:00 p. m. for Mrs. Judge L. Crow, long-time resident of Jones County. She passed away at her home Monday night following a long illness.

Rev. C. E. Dick of McCauley was born in Johnson County on September 21, 1885. Mr. and Mrs. Crow were married in Hamlin in 1904 and since have made their home on the farm he settled in 1900.

Survivors include her husband, five sons, J. R. of Hamlin, J. M. of Big Spring, E. C. of Leuders, S. W. of Stamford, and C. A. of Anson; two daughters, Mrs. Seth Lawrence Jr. of Anson and Mrs. J. D. Stucker of Sandusky, Ohio; one brother, four sisters, including Mrs. Barney Thames and Mrs. Delma Crow of Hamlin.

Services Resumed at Plasterco Church

Services will again be held at the Plasterco Baptist Church next Sunday, according to an announcement made early this week.

Rev. C. W. Johnson, former pastor, will conduct the preaching hour. The public is extended a cordial invitation to be present.

Mr. and Mrs. Claud Lancaster were in Lubbock Tuesday. They were accompanied home by their daughter, a student at Texas Tech. George Malouf and Herman Treadwell were in Dallas and Fort Worth this week visiting markets.

GIVE NATURE A CHANCE...

If you are run down, listless and tired because of poor digestion, give nature a chance. Don't use violent purges. Often all your digestive system needs is a little assistance. And that's just what the new, improved ADLERIKA will provide. It's a scientific blend of 7 effective ingredients that work quickly and pleasantly to relieve gas pressure and work waste matter gently through the alimentary canal. It's a kindly stimulant to sluggish intestinal muscles. Order a bottle of ADLERIKA, the "Tone-Up" laxative, from your druggist today.

Caution: use only as directed.

ADLERIKA THE TONE-UP LAXATIVE

Coy L. Magee of Washington D. C. is here visiting his mother, Mrs. L. S. Magee and sister, Mrs. Milton Smith.

Mrs. W. M. Keller of McCaulmother, Mrs. Etta Stephenson. Sunday.

H. C. Rothell of Fort Worth and Mrs. Jack Scheibler and Pasty of Dallas visited their daughter and sister, Mrs. Tom Routh and family early this week.

Dorothy Routh, who has been a teacher at Midland, is here to spend the summer with her parents, Mr. and Mrs. Tom Routh.

Mr. and Mrs. J. B. Terrell, Sr. visited in Denver City during the weekend.

Miss Mildred Holt, who has been teaching in Wichita Falls, is home for the summer with her father, Joe Holt.

State Revenues to Be Better Than Believed

In a statement to Herald readers, Comptroller George H. Sheppard in Austin is boosting his estimate of revenue for the next two years approximately \$32,000,000. Legislature, Sheppard says, are such

funds as to the State of Texas or approximately \$32,000,000. Sheppard says, are such

Trouble, a

PROVED BY 66 BILLION MILES OF SATISFACTORY SERVICE

Veterans Warned Overpay Will Be Recovered by US

Some 3,000 West Texas veterans, many in this locality, have jeopardized their training and education eligibility and violated federal penal laws by having accepted subsistence payments from the Veterans Administration to which they are not entitled under the law, C. E. Pickens, VA regional finance officer said this week in a release to The Herald.

Over-payments to veterans in the West Texas VA region amount to \$336,000, all of which is subject to recovery by the government and cannot be "marked off" by charging it to veterans' eligibility. Veterans who have been overpaid have been notified to that effect by the VA regional finance office and informed that reimbursement of the excess payment must be made. Pickens explained that over-payments are caused by veterans' failure

to comply with public law 679, which became effective August 8, 1946.

The law fixed a point in income at which the veteran-trainee can be capable of his own support. At this point, the government withdraws its measure of support. This level has been fixed at \$175 a month for single veterans and \$200 for those with dependents. When job and subsistence together reach these marks, veterans receive no additional aid in the form of federal funds. But there is no limit on such additional wages as employers might wish to pay veterans as they progress in training.

The full amount of \$65 or \$90, as the case may be, in VA subsistence payments is allowed only when this amount plus regular wages does not exceed \$175 for single veterans or \$200 for veterans with dependents. Beginning in August, in compliance with this law, veterans in receipt of subsistence payments were provided with report of earnings forms on which they were to report their earnings from regular wages or salary.

Included on the form was the

Uncle Sam Says

Exactly how much have you saved in the last 12 months?

If you can't write a good big figure in the space above then you'd be smart to adopt a method of savings that millions of Americans have found to be absolutely sure fire. This method is the regular buying of United States Savings Bonds. People buy Savings Bonds now on two convenient plans. If you are on a payroll, through the Payroll Savings Plan. If you are a professional man or woman or self-employed, through the Bond-a-Month Plan at your bank. By signing up on either plan, twelve months from now you will be able to write a nice healthy sum in that space up above.

U. S. Treasury Department

WACS STILL SERVE

From the peak strength of 100,000 on V-J Day, the Women's Army Corps has demobilized until at present there are 9,650 Wacs on duty. These Wacs have volunteered for extended duty until June, 1947, or for the duration and six. Many are triple volunteers for there are still scores who volunteered as members of the Women's Army Auxiliary Corps, re-volunteered for the Women's Army Corps when it became an integral component, The Women's Army Corps, and became triple volunteers on signing the "extended duty" category.

Of the present strength, 2,572 are Wacs who have re-entered the Corps after having been honorably discharged. There are Wacs on duty with the Armies of Occupation in Germany and Japan. Approximately 2,500 are assigned to seventeen installations in the European Theatre. Over 500 are with the forces in Japan.

The War Department has announced that legislation providing for the inclusion of women in the Regular Army and the Organized Reserve Corps soon will be presented to Congress. In asking for approval of the plan, it has been pointed out that women have proved that their skills and training are potentials in helping to solve the pressing personnel problems of this time, and that the loss of time and money that characterizes any project that must "start from scratch" would be saved if a nucleus of women were on hand to provide for speedy and economical expansion in the event of any national catastrophe.

Coke's Trip to Capital May Be Politics, Too

Democrats of Hamlin area contacted thus far join other Texans in seeing political implications in the visit to Washington of Coke Stevenson, former governor of Texas.

Stevenson, who has spoken here on several occasions, and C. E. Weymouth of Amarillo, president of the Texas Cattle Raisers Association, will this week attend a meeting of foot-and-mouth disease advisory committee at Washington conducted by the U. S. Department of Agriculture.

Stevenson, local Democrats says, is considered a probable candidate for the U. S. Senate against W. Lee O'Daniel.

following: "Important Notice—If the wages, salary or other compensation you receive from employment plus your subsistence allowance exceeds \$175 a month if you have no dependents or \$200 a month if you have a dependent or dependents, that part of your subsistence payment necessary to bring the amount to \$175 or \$200, which applies in your case, is the only amount due you under the law. Any amount accepted by you in excess of this amount is subject to recovery by the government."

VA could not adjust its subsistence payments until wage reports were received at the end of a three-month period. In the meantime veteran-trainees continued to receive subsistence for the full amount.

The law says the amount to which the veteran was not entitled must be repaid or deducted from subsistence payments due. It cannot be liquidated by charging it to his eligibility, Pickens emphasized.

R. A. Dean, who is a student at Texas Tech in Lubbock, was here this week visiting his mother, Mrs. R. S. Dean. He will attend the summer term of college.

Soil Conservation Districts to Suffer Greatly If Appropriations Are Cut

The Soil Conservation Service, with a district office at Stamford, and every other SCS unit in the state will be affected by the cut in funds decreed by the House Appropriations Committee at Washington, week reveals, J. C. Dykes, assistant chief of the Soil Conservation Service, Washington, reports regional SCS headquarters at Fort Worth and the Temple office will have to curtail operations.

In fact, the present bill is such a blow to the entire farm program that Congressman George Mahon of the 19th District, committee member, predicts that it will return the country to the Democrats.

Mahon informs The Herald a stacked committee, ordered by the Republican party leadership, has brought out a bill which will cause the government to renege on its promised \$300,000,000 in Triple A payment for 1947.

Appropriations, for instance, for the payments to the farmers who are engaging in terracing, cover crops and other soil conservation practices in lieu of planting crops were reduced to about \$150,000,000. Mahon declares these appropriations were drastically cut down despite promises last year by Congress and in January by President Truman.

"It would not be so bad if these farmers had not planned their 1947 crop year on these government commitments," said Mahon. "After July 1, there will be considerably less money to meet payment. I fear they will lose confidence in any future government farm program."

Dykes said Congress had not only given SCS less money but at the same time had ordered work started in new districts to be maintained at the same speed as in old districts. This will cut the work down in each district, he says.

Mahon said Democrats had already caucused on the bill and that every member of the Texas delega-

tion was working hard to try to convert as many Republicans as possible from farm states to vote with Democrats during the hard fight that began this week on the floor.

"The fight will be so bitter that we won't know results until the last vote is counted," said Mahon.

The bill, which he described as providing a new limousine for Secretary of Agriculture Clinton Anderson of New Mexico but only a lemon for the American farmer, vitally affects Texas' future cotton crops, he said. It rescinds previous legislation giving 30 per cent of all duties on imports to disposition abroad of surplus farm products.

"This money was spent largely to dispose of surplus cotton and to help the American cotton farmer in meeting the world market when exporting," Mahon declares.

"We may not feel it so much this year, but when there is a bumper crop, without these funds to aid in exporting cotton, this crop will be a glut on the domestic market."

The Bankhead-Jones farm tenant purchase act is out altogether, if this bill passes, Mahon said. Reason given by Republicans is that farm land values are too high. "Even so," said the Texan, "some tenant farmers were being helped by 40-year loans to purchase their farms."

"The bill cuts the Farm Research and Marketing program from \$19,000,000 to \$5,000,000 on the grounds that is too much money for a new enterprise," Mahon said.

"We had launched an ambitious program there last year, but we need research for marketing, and it will be impossible now to get the program planned underway."

"This affects almost every phase of farm endeavor. Loans to veterans and others through Farm Security Administration are drastically curtailed, too."

Contrary to popular belief lettuce contains no opium.

SCHOOL ABOARD THE 'WISKY'

A class of Naval Reservists aboard the USS Wisconsin on a training cruise to Cristobal, Canal Zone, listen to an instructor explain the drawing of certain electrical connections. The USS Wisconsin is making several such Reserve cruises to refresh Reservists' previous training and to acquaint them with the latest developments in naval equipment and technique. Reservists in the photo were among several hundred from the Third, Fourth, Fifth, and Sixth Naval Districts and the Potomac River Naval Command taking two weeks of active duty training afloat. Other combat ships making similar cruises are the USS Oregon City, the USS Rochester and the USS Little Rock. (Official Navy Photograph)

Early Control of Grasshoppers Is Urged by Agent

Farmers of Hamlin and area Counties are being urged by Texas A. & M. College Extension Service to start control measures against millions of grasshoppers that are now hatching.

Jones and Fisher County farmers are advised that poison bait put out now to kill the young hoppers can prevent a lot of damage to the state's row crops. Grasshopper infestations were large last season, and the hatch this spring points to

another big year for the insects.

H. C. Stanley Jr., Jones County agent, asks that all county farmers make an early start on grasshopper control. The insects are young now and easy to kill—they are bunched together right after the spring hatch and very little bait will kill them at this time—before they can do damage to row crops.

Those interested in poisoning hoppers at this time are urged to contact Stanley at the agent's office.

Prof. and Mrs. W. A. Stephenson and daughter of Abilene spent Thursday night here with his mother, Mrs. Etta Stephenson.

Larry McCoy of Texas Tech is home this week.

HD Club Leaders Attend Training School at Anson

Nineteen leaders representing 10 of the 12 clubs in the county 10 attended a landscape training school in Anson the afternoon of May 22. As there are many Arizona cypress trees in the county showing signs of red spider, the agent gave a demonstration to the leaders on how to recognize the signs and how to control them.

Many plants are showing signs of clorosis (yellowing of leaves,) so the agent gave a demonstration on how to treat such plants.

Several roses with burned looking petals and buds that were not opening were given to the group and asked to see if they could find anything to cause this. The agent asked them to look for the tiny little insects called thrips and control measures were given.

The agent also gave a demonstration on mulching the shrub beds to retain the moisture.

The following women attended the meeting: Mrs. Maxey Harvey, Mrs. Borden Manly from Willow Creek Club; Mrs. Woodson Huffaker, Mrs. W. C. Beaty, Ancona Club; Mrs. R. E. Ray, Mrs. Vay Moore, Hodges Club; Mrs. C. R. Taylor, Mrs. Warren Hilliard, New Hope Club; Mrs. C. W. Jones, Mrs. J. R. Cook, Carpenters Gap Club; Mrs. Clyde Chancey, Mrs. Dan Jones.

W. J. Spurgin, Compere Club; Mrs. K. A. Goza, Union Club; Mrs. George Q. Brooks, Mrs. Arnold, Mrs. Hannah-Lakota Club; Mrs. C. P. Hodges, Mrs. Frank Carter, Goodman Club; Mrs. J. W. Osment, Mrs. G. C. Long, Tuxedo Club.

Baptist WMS Officers Were Elected Monday

Officers for the next year were elected by the Women's Missionary Society Monday afternoon at the first Baptist Church.

Mrs. Joe Simpson, president, was in the chair. Mrs. A. Spencer gave a brief missionary talk. Mrs. W. L. Boyd, Sr. read a very interesting letter from Miss Mildred Crabtree, a missionary.

The inspiring devotion was presented by Mrs. Tom Routh. Miss Dorothy Routh sang a solo, "A Closer Walk With God", accompanied by Mrs. Lesley Shelburne.

The following officers were elected: Mrs. Joe Simpson, president; Mrs. Clyde Angel, vice-president; Mrs. Ovid Lawlis, recording secretary; Mrs. W. L. Boyd, Sr. corresponding secretary; Mrs. Lott Shell, chorister; and Mrs. John H. Osteen, pianist.

Next Monday the women meet in circles.

Miss Bess Jones, who has been attending Bethany-Peniel College, has come home to spend the summer with her parents, Mr. and Mrs. Dan Jones.

Freight Cars Go Modern

Demonstrating the ease with which a 'Roller Freight' car can be moved, two St. Louis girls, Janet Feuerborn, in striped sweater, and Maxine Hanebrink, pull the car from a dead standstill.

Pioneers in developing anti-friction bearings on railroad rolling stock, the Timken Roller Bearing Company turned their efforts toward making fast and dependable freight service a reality. 'Roller Freight', a lightweight, bearing equipped car, is the answer. The first streamlined train and the first Diesel-powered streamliner were equipped with roller bearings and the success was so marked that today the bearings are standard on new orders.

Shippers will welcome the new cars for the smoother action means less damage in transit and fast on-time schedules. Railroad operating men cheer the reduced maintenance, added availability of equipment and an increase in equipment life.

Calvary Baptist Women Meet For Bible Lessons

Members of the Ladies Auxiliary of the Calvary Baptist Church met in regular service last Tuesday afternoon. Nine members and one visitor, Mrs. Wilson Essary of Lubbock, were present.

Mrs. J. W. Griffin, president, was in the chair during the business session. A letter was read from Mrs. J. W. Cundueff of west Columbia, acknowledging a love offering sent her for her birthday.

Each member brought pillow cases for the Texas Baptist Orphanage.

Mrs. J. A. Tate brought the

devotional from Proverb 2 and Mrs. W. E. Nunn taught the lesson on Bible Geography.

Mrs. W. L. Hunter, Jr. has accepted a position with Celotex Corporation.

Margueritte Nobles Is Married To Edward Milton Raley

On Saturday morning, May 31st, at 8 o'clock, Margueritte Nobles, daughter of Mrs. Eakin Nobles, became the bride of Milton Raley, son of Mr. and Mrs. R. L. Raley.

The double ring ceremony was performed by Rev. J. Henry Littleton in church parlor of the First Baptist Church in Abilene. White carnations were used in decorating the parlor.

Mrs. C. R. Owens was matron of honor. Her dress was of aqua shantung with white accessories and her corsage was of white gardenias. H. D. Burton attended the groom as best man.

The bride wore an original Roxana frock tail suit of white tropical material with brown and white Bible topped with a white orchid.

Mrs. Raley is a graduate of accessories. She carried a white Hamlin High School. She received B. A. degree from Texas Technological College at Lubbock, where she was a member of the Las Chaparritas social club. She also attended the University of Texas and for the past three years has taught in Hamlin High School. She is a member of the Hamlin Chapter of Beta Sigma Phi.

Mr. Raley is a graduate of Hamlin High School and attended Hardin Simmons at Abilene and North Texas State Teachers College at Denton. He served as a Lieutenant in the Army Air Forces during the war. He is now employed by Standard Oil and Gas Co. and at present,

the couple will make their home in Bay City.

The wedding guests included: Mrs. Eakin Nobles, Mrs. Henry Littleton, Mr. and Mrs. Albert Chandler, C. R. Owens and Mrs. H. D. Burton.

Anice Griffin Wed to California Girl

Announcement has been made of the marriage of Georgia Rose Blake and Anice Griffin. In a ceremony read April 20 by Rev. Floyd House in the gardens of her home at 331 Oxford Avenue, Palo Alto, California.

The bride wore a light blue afternoon frock with a corsage of butterfly orchids and roses.

Adelle Stordia was bride-maid and Andra Hale Jackson acted as flower girl.

D. E. Griffin Jr. attended his brother as best man. Ushers were Donald Harton and Edward Lehman.

The wedding music was played by Mrs. Wayne Thomas.

Following a wedding trip to Monterey Peninsula, they are now at home at 791 Matadero Road, Palo Alto.

Mrs. Griffin is the daughter of Mr. and Mrs. J. E. Blake. She is a graduate of Palo Alto High School and attended San Jose State College.

Mr. Griffin is the son of Mrs. D. F. Griffin and the late Mr. Griffin of Hamlin. He attended the local schools and served in the Navy.

Koleta Clements Honored With Gift Tea Wednesday Afternoon

Miss Koleta Clements, bride-elect of Glenis Galen Costin of Abilene, was honored with a gift tea Wednesday afternoon from 4:00 to 6:00 o'clock in the home of Mrs. Joe L. Culbertson.

Mrs. Mart Farrow welcomed the guests introducing them to Mrs. Culbertson, who presented them to the honoree. Others in the receiving line were Mrs. Ira Clements, mother of the bride-elect; Mrs. A. G. Costin, mother of the groom-to-be; Mrs. Delma Shelburne, sister of the honoree; Miss Minnie Menroe, Mrs.

H. D. Prescott, Mrs. Bill Thorn and Mrs. Frank Bonds.

Mrs. Dick Maberry directed the guests into the dining room, where Mrs. Z. Edward Boaz of Anson poured punch. Others assisting in the dining room were Mrs. A. Hudson and Mrs. Perry Sparks.

Announcement of the approaching wedding of Koleta and Glenis was printed in gold on the napkins. The guests were directed to the bedroom, where the lovely gifts were on display.

Several vocal numbers were given by Miss Dorothy Fern Routh, accompanied by her sister, Mrs. Lesley Shelburne, at the piano.

Frances Gardner and M. R. Young to Wed June 21st

Mr. and Mrs. B. H. Gardner have announced the approaching marriage of their daughter, Frances Nell, to Marvin Kinall Young Jr., son of Mr. and Mrs. M. K. Young of Ralls.

The ceremony will be read Saturday, June 21 at the Hamlin First Methodist Church.

Miss Gardner is a graduate of Hamlin High School and has been attending McMurry College at Abilene for the past three years.

Mr. Young is a graduate of the Loveland High School and McMurry College. He served in the Navy as a lieutenant (jg.). He is employed for the summer as a chemist in an ordnance plant in Dumas.

Oveta Wilkins is Wed To Elva Ray Hill

Miss Bonita Wilkins, daughter of Mr. and Mrs. H. Wilkins of Hamlin, became the bride of Elva Ray Hill of McCauley, in a ceremony read Saturday, May 24.

Rev. J. R. Wilkins read the ceremony.

Mrs. F. R. Wilkerson and Mrs. Elva Horten visited Mrs. McClara in Winters Sunday.

Miss Koleta Clements, bride-elect of Glenis Galen Costin of Abilene, was honored with a gift tea Wednesday afternoon from 4:00 to 6:00 o'clock in the home of Mrs. Joe L. Culbertson.

Mrs. Mart Farrow welcomed the guests introducing them to Mrs. Culbertson, who presented them to the honoree. Others in the receiving line were Mrs. Ira Clements, mother of the bride-elect; Mrs. A. G. Costin, mother of the groom-to-be; Mrs. Delma Shelburne, sister of the honoree; Miss Minnie Menroe, Mrs.

H. D. Prescott, Mrs. Bill Thorn and Mrs. Frank Bonds.

Mrs. Dick Maberry directed the guests into the dining room, where Mrs. Z. Edward Boaz of Anson poured punch. Others assisting in the dining room were Mrs. A. Hudson and Mrs. Perry Sparks.

Announcement of the approaching wedding of Koleta and Glenis was printed in gold on the napkins. The guests were directed to the bedroom, where the lovely gifts were on display.

Several vocal numbers were given by Miss Dorothy Fern Routh, accompanied by her sister, Mrs. Lesley Shelburne, at the piano.

The table was laid with a lace cloth, centered with an arrangement of white flowers and candelabra holding white tapers. Red and pink roses, Queen Anne's lace, snapdragons and pansies were used in decoration of the reception room.

Mrs. B. S. Ferguson presided at the bride's book.

Hostesses for the occasion were Mrs. Craig Elmore, Mrs. A. Hudson, Mrs. Dick Maberry, Mrs. Perry Sparks, Mrs. B. S. Ferguson, Mrs. Joe Culbertson and Mrs. Z. Edgar Boaz.

Sunday School Classes Enjoy Garden Party

Members of the Althean and Mary-Martha classes of the First Baptist Church enjoyed a May social with the following hostesses: Mrs. R. A. Crockett, teacher of the Althean class, Mrs. M. Y. Wilson, Althean Class mother, Mrs. B. B. Reid and Mrs. Bill Deel.

The party was in the church basement Thursday evening. Each member brought flowers, buds, or seeds for exchange.

Arrangements of May flowers were used in decoration.

Mrs. M. Y. Wilson brought a very interesting devotional on the theme, "My Flower Garden".

Leaves of various plants, flower and trees were on display for the group to identify.

Ranch style hot dogs and cold drinks were served to members following fun and fellowship.

Those present for the garden party were Mesdames Cecil Brown Edd Decker, V. T. Stringer, Edward Gaddner, J. T. Hart, Delmar Shelburne, A. G. Irwin, I. R. Hutchinson, Kelly Scott, Altin Mayfield Clyde Carroll, B. W. Niedecken, I. D. Miller, Eunice Perkins, Leona Cartier, Martha Rheton, Henry Holloway, Alton Clemmer, and W. C. Russell, teacher of the Mary-Martha Class and the hostesses.

Avoid Expensive Repairs

Watches not inspected and cleaned, at least once a year, usually give cause for serious repair work with greater charges. You can avoid this by letting us clean and adjust your watch yearly.

Cotton Carryover Is Lowest Since 1928-29

Hamlin region farmers are advised the United States had less cotton on hand May 1 than at any time since the 1928-29 season.

This statement is from the University of Texas Bureau of Business Research, Austin, which declares the U. S. cotton balance sheet showed 5,792,000 bales of cotton on hand May 1.

The May 1 balance brightened hopes of all cotton producers, for one has to go back to 1928, when 4,701,000 running bales were on hand, to find comparative totals.

The August 1 carry-over of cotton, the bureau discloses, will be 7,522,000 bales—compared with 11,164,000 bales for the same time in 1946.

Otto Berlin of Dallas, a Hamlin resident for several years, was visiting Mr. and Mrs. Tate May during the weekend.

News About Folks You Know

Mr. and Mrs. R. L. Matecha and family of Odessa are here this week for a visit with her sister, Mrs. Bill Adilton and family. Her mother, Mrs. Wilcox, had been visiting in Odessa and returned home.

Mrs. Fern Barnett spent the weekend at Brownfield, where her husband, Clee Barnett, is employed.

Little Miss Barbara Smith is home from an Abilene hospital and is reported getting along nicely.

Mrs. W. C. Russell is visiting in Detroit, Texas this week.

Stamford Reunion to Feature Parade Again

Hamlin and Jones County people are advised that the premium list for the sixteenth annual Texas Cowboy Reunion, which will be held at Stamford July 2-4, has been increased \$1,000 to \$5,245, officials have announced.

Plans for the biggest parade in years are being worked out by the parade chairman, Mayor A. C. Humphrey. Governor Beauford H. Jester of Texas has accepted an invitation to be on hand for the opening day parade and rodeo.

Among state officials who will be on hand for the Texas Cowboy Reunion will be State Senator Pat Bullock of Colorado City.

Survey Planned for Sugar Rationing End

Jones Countians are advised that the U. S. Department of Agriculture is planning a survey with the viewpoint of ending sugar rationing.

Secretary of Agriculture Clinton Anderson says this, however, does not indicate sugar rationing program will end soon. It simply means the government is making advance plans for "defrosting" the sugar situation.

By Jeanelle E. yant

Did you miss us during the week end? Don't bother to answer, please. But we were away. We visited in Italy that now famous town which had such a successful clean up day, and we can verify reports that the town is very attractive and clean. As a result of that campaign a bill has been passed setting aside a state-wide clean-up day.

We went back to our former home, Mineola, too, and had a wonderful time visiting with our friends. It is a beautiful city but, honestly we have already learned o

love the wide-open spaces, and from all our boasting about Hamlin and Jones county one would get the impression that we might be a paid representative from the local Chamber of Commerce. The air just seemed purer when we got back on the plains, and we were tempted to start singing "Home On The Range". So, we are here to stay, and we definitely like it.

This is our first opportunity to see the great wheat harvest, and are we getting a kick out of it. Makes you feel that the Almighty God must favor this part of the country by giving us such an abundant crop of that grain which is the staff of life.

All Hamlin is happy that Dr. Will C. House is returning to the local Methodist Church. He is recognized, not only by his flock but by the entire town, as a very distinguished, likeable gentleman, who would be an asset to much larger places. Just another proof that no person is too fine for Hamlin.

Did you hear your hometown paper and Chamber of Commerce given recognition over the Home-town Editor program at noon Saturday over KGKO? Bert Halting read the article about the great success of the C. of C. Membership drive. Several East Texans mentioned it to us.

The Herald has a new linotype operator, a man we think you will like. He has been living in Idaho but wanted to come back to Texas. So, let's show him a hearty welcome. His name is James (Jim) Hodges. Come around and get acquainted. If you have never moved into a new place, you don't realize how much a friendly greeting and welcome means. Just one cheery word can start your heart to singing and make you glad you are here.

Plan to send your children to one of the Vacation Bible School being held at the various churches during the next few weeks. They will receive valuable training, and free of charge.

In Dallas we were pointing out the sky scrapers to our daughter, and suddenly realized that people were staring at us, wondering just what was wrong. What they don't know is that we feel just as sorry for them as they do for us. We had lots rather go through life without ever seeing those tall buildings than to miss seeing the rolling plains with nothing to obscure your view for miles and miles.

A friend in Fort Worth, who was reared in a small town, ran to the window when the fire siren sounded. He said, "I'll never get used to the big town life. I still want to know what is going on" And don't we all?

If all this sounds confusing, it must be the heat. Speaking of the weather, you have heard that love song, "June in January". It was almost the opposite last week that is what makes life in Texas so interesting. We have more to talk about with such a variety of climatic conditions.

Valedictory Address

by Jane Adams

We, the member of the graduating class of 1947 of this our Hamlin High School, wish to express again our appreciation and sincere gratitude to our parents for their sacrifice in directing and aiding us in our achievements, to faculty for their cooperation, to the Board of Education for their valuable contributions of time and effort, and to our many friends who have faithfully stood on the sidelines of our activities. We know that you have all contributed through the realization and foresight that "it is from the visions of youth that comes the inspiration to make tomorrow better than today". We realize that it has been the business of education to give the body and soul all of the perfection which it is capable and today at this our commencement, we pledge ourselves to justify these investments.

To the members of my class: Naturally, I would like to say that I wish you success in life, but better still, I hope that you have discovered the secret in working to that success. Success can come only through wise choices, deliberate practices and diligent effort. To strive to go adventuring along unknown paths; to seek to make a real dream to find the meaning of that wonderfully patterned thing called life, these are the desires which ever live in the heart of man. Ages ago, great souls felt the urge and went forth

on pilgrimages, each to the shrine of his choice.

And today, all over the world, those in whom the vision dwells, go forth in like manner, giving to the quest the added joy of fellowship. There may be difficulties to surmount to make the pilgrim strong, but if he keeps burning clear and bright, his soul's fire, his faith and hopes shall be undivided.

You, my classmates, will continue your pilgrimage to the shrine you have chosen. And now: as you go forward, may the spirit of our High School go with you, that you may cherish it, and that it may guide you to your goal.

Will the audience please rise while we sing our school song.

Two Days Set Aside at State Fair for Children

Children of the Hamlin area will be interested to learn that two days of fun and education have been set aside on the State Fair of Texas calendar for the school children of the state, according to an announcement received here today from W. H. Hitzelberger, Executive Vice President and General Manager of the State Fair.

Grammar School Day has been set for October 10, followed by High School Day on October 17. Many schools over the state, especially those within a 100-mile radius of Dallas, declared annual holidays so that their students may attend the State Fair.

In announcing the two special dates early this year, Mr. Hitzelberger said he wanted to allow superintendents and principals ample time to plan for the event and mail request for free student tickets at the earliest possible moment.

CHOOSE THE TIRES THAT *Champions Use*
FOR EXTRA SAFETY and EXTRA MILEAGE AT NO EXTRA COST

GET OUR LIBERAL ALLOWANCE FOR YOUR USED TIRES. ON **Firestone** De Luxe CHAMPIONS

Remember your used tires are worth more at Firestone

FOR 24 consecutive years, Firestone Tires have been on the winning cars in the Indianapolis Sweepstakes. The same patented and exclusive construction features, which make these tires so safe, so strong, so wear-defying on the speedway, are also built into the Firestone De Luxe Champion Tires which protect your life on the highway. You can get all of this extra safety and extra mileage at a big saving in cost because your used tires are worth more at Firestone. We need more used tires for re-treading. So we are offering highest prices for the unused mileage in your present tires when you trade them in on new Firestone De Luxe Champions, the only tires made that are safety-proved on the speedway for your protection on the highway. Easy terms, if you desire.

PAY AS LITTLE AS

\$1.25 A WEEK

POT-SHOTS FROM McCAULEY

BY GEO DARDEN

Mr. and Mrs. M. T. Mason and daughter from Comanche, Texas, visited last week in the home of his mother and sister in McCauley.

Mr. and Mrs. Jack Perryman and daughter from Sweetwater were visitors last week at the home of his mother in McCauley.

At last grades have been received from Civil Service in Washington by those taking the examinations—for the McCauley postoffice, Roy Hennington topped the list with the highest grade, Leo Masser was second highest, Melvin Hunter, third; Mrs. Jerry Crowley fourth.

Others taking the examination were: Hughie Parker, Frank Jackson and Mrs. Lewis Lawlis.

Quite a little stir in the old home town last Friday when a boy rushed into town and reported that two men were fighting in a car on the highway east of McCauley. When townsmen arrived on the spot the car with all occupants had vanished. Maybe so the boogie man got 'em.

Some of the big shots, the press and radio keep harping on the future war with Russia and the Russian press seems to be hinting to their people about a war with U. S. War or no war we had better keep plenty of guns and something to fight with just in case. If we have to appease our enemies with food and war materials, in our opinion that's poor business.

E. C. Waldrop and son Johnnie Wayne flew their piper cub over in New Mexico a couple of Sundays ago, went to church and Sunday school in that state, ate lunch with his sister and then flew back to McCauley in time to milk the cows that evening. After all it's a small world.

Bennie Ray and Johnnie Max Jones are home for the summer. They are students of McMurry College. Their Mom and Pop is Mr. and Mrs. C. D. Jones.

Mary Ann McCullum a McMurry student is home for a few days, she will attend summer school.

The scribe had an invite over to Hamlin lake last Thursday night for a Bar-B-Q and all the trimmings, given by the General Crude Oil Company to their employees and friends. It was our first time out at night since the wreck and even tho' on crutches, we had a grand time. Thanks to Mr. Hulsey and sponsors.

We saw a couple of good soft ball games at the Hamlin park last Thursday night, but have liked to

have froze to death. An old-cripple man hasn't any business at a ball game anyway we are convinced.

McCauley cotton gin will be ready for the first bale of the season. Yep ol dGeorge and the boys will be on hand to serve you—that is if we don't get kicked by a nule or something. Sho' superstitious though, might even believe just a little black magic.

Tom Holman tells us that he and family sho' did miss the Pot-shots while the ole boy was knocked out. Said he agreed with our comments at least seventy-five per cent of the time. The percentage in our favor, thanks Mr. Holman.

Hav'n't been around here much of late therefore 'we don't know much social news so will fill up most of the space with "chatter" until we learn something for sure.

Bonds for the job as notary public for McCauley for another year were made last week by Levi McCullum, Mrs. Vera Jayce, F. L. Rector and George Darden.

The wheat harvest is on a boom in this parts and combines and trucks are running night and day. The yield is better than at first expected.

A contract has been let to fence the McCauley cemetery. A caretaker has also been employed. If interested your donations to the fund will be appreciated.

Mr. and Mrs. L. B. Miers and Mrs. Joe Miers and S. F. Miers spent last Sunday in the N. D. Miers home at Hobbs, Texas.

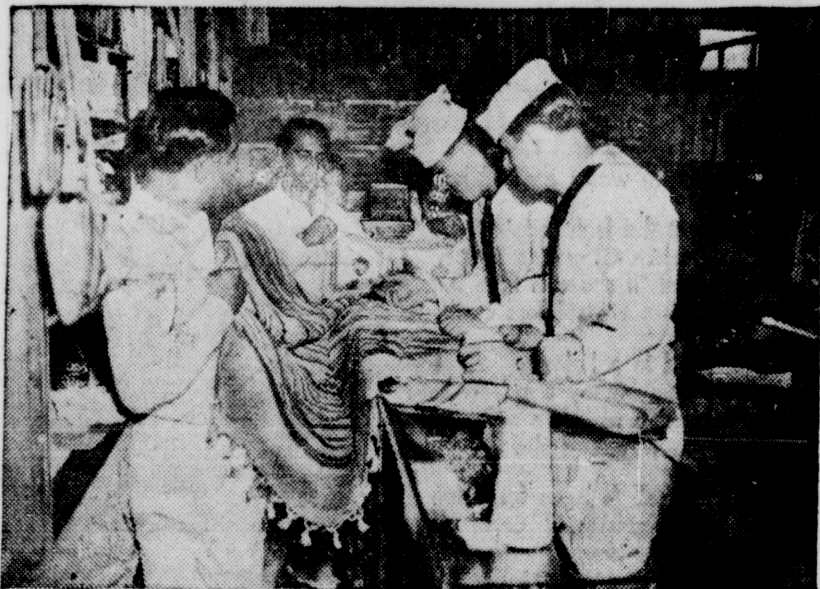

Mrs. Pete Forbus underwent a major surgery in a Sweetwater hospital last Saturday.

Roy B. Harriman age 19, who was killed when ran over by a truck 2 miles west of Rotan last Friday was a nephew of Mr. and Mrs. Tom Price of McCauley.

Listen folks, there is to be an election Saturday, June 7, in McCauley and Royston to see whether or not the Royston Independent school district will or will not consolidate with McCauley.

Royston has not had a school for several years. We want them in our school, we welcome them to McCauley. We hope that our neighbors, the Royston folks will see fit to vote 100 per cent to come to McCauley and it is the duty of the McCauley citizens to turn out to the polls in large numbers and vote for consolidation, by so voting we will show our neighbors that we welcome them in our school set-up. Vote Saturday folks in McCauley

A BIT OF SHOPPING IN PANAMA

Naval Reservists on a training cruise of the USS Wisconsin spend part of their liberty ashore in Colon, Republic of Panama, selecting presents for the folks back home. They are among 600 Reservists from the Third, Fourth, and Ninth Naval Districts recalled to active duty, voluntarily, for two weeks of training aboard the "Wiskey." The cruises give the Reserve sailors a chance to learn of the latest developments aboard this mighty warship. As a part of the Wisconsin cruises there are two days of liberty in Panama for sightseeing and shopping. Many of the men bring back perfumes, lingerie, alligator skin luggage, white shirts, summer suits and other items which are obtainable at prewar prices.

Smith Doxey Cotton Act Benefits to Farmers Available in Section Again

Benefits of the Smith-Doxey Act, a federal service to induce planting of better cottonseed, can be obtained

at the gin office. Please don't say you forgot to vote.

Our new school building which is well on the way to completion should be inducement to all surrounding communities to consolidate with us.

McCauley folks are not the kind of folks who wish to break into another communities school, but we are the kind who welcome other schools whenever and wherever other schools are forced by insufficient number of pupils to carry on their own schools.

We hope that the good people at Boyds Chapel and Pledger will give our school every consideration when and if they thing of consolidation.

McCauley citizens show your colors next Saturday and lets give the Royston people a great big welcome. Vote for consolidation. at once as the deadline for filing

applications will expire August 1, 1947. Write the supervisor in charge of the station nearest you for necessary blanks.

"When samples of your cotton have been processed by a government licensed and bonded classifier," the commissioner points out, "a card showing grade and staple of each bale will be mailed directly to you. The marketing bulletin posted at your local gin gives you daily information as to the actual market value of your cotton, as indicated on your card. It will also help you to determine whether or not you are getting good ginning service and also whether or not you are planting the best varieties of pure seed. Through your community organization you will have available good quality planting seed.

"As commissioner of agriculture," he concluded, "I heartily recommend this service offered by the federal government and suggest that farmers take action at once to make use of same."

BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Connally of Sweetwater are announcing the birth of a son, Charles Edward Jr., May 19 at a Sweetwater hospital.

Plenty More Underneath.

Rastus and Sambo were on transport going overseas. "Just look at all that water," exclaimed Rastus, looking out across the ocean.

"You ain't seen nothing," replied Sambo. "That's just the top of it."

Tarpaulins-

We have a nice stock of Water Proof Tarpaulin. Don't take a chance of getting that wheat wet. See us for Tarpaulins.

Rockwell Bros. & Co.

Folgers Coffee

Do you know what? We received another huge shipment of that d-e-l-i-c-i-o-u-s FOLGERS COFFEE. We received about 3,000 pounds—It's the "outsellingest" stuff you ever saw.
